

Catarrh Prevented

By Inhaling Catarrhose.

The Antiseptic Vapor of Catarrhose Cleanses, Purifies and Heals the Mucous Membrane—Prevents and Cures Catarrh.

The remedy doesn't exist that will cure Catarrh so quickly as Catarrhose. It relieves the most stubborn cases in a short time and drives the disease so thoroughly from the system that it never returns. Catarrhose cures by the breathing of medicated air, a convenient common-sense treatment that finds favor with everybody. Druggists always recommend Catarrhose in preference to all other remedies, because they know it's the best, and every progressive doctor prescribes it for the same good reason.

What's the good of experimenting with snuffs, stomach medicines, tablets or atomizers? They never did cure catarrh, and never will, simply because they can't reach the trouble. But Catarrhose goes wherever the air breathed goes, and no matter how deep seated or chronic the disease may be, it will reach and cure it. Now, that's the kind of remedy you want, so get it to-day and cure yourself of catarrh for all time to come.

NOSE AND THROAT CATARRH CURED

DUTCHER LAW, a prominent citizen of Italy Cross, N.S., says: "I experimented with hundreds of catarrh remedies, and found the majority worthless, dismal failures. Catarrhose was the first to give lasting relief, it cured me, and I can with pleasure testify as to its great merits as a cure for catarrh of the nose and throat." (Signed) DUTCHER LAW.

NOSE COMPLETELY STUFFED UP

JOHN D. PERKINS, a well-known merchant in Hamburg, writes: "My nose was so stuffed up with catarrh that I couldn't breathe except through my mouth. My breath was horribly offensive, and my digestion was completely knocked out. I used Catarrhose, and was cured in two weeks. I wouldn't take five thousand dollars for the benefit and good health I received from using Catarrhose which I can recommend as a certain absolute cure for catarrh." (Signed) JOHN D. PERKINS.

WELL-KNOWN ATTORNEY CURED

S. E. MACCAULEY, the well-known attorney of Portland, writes: "I am anxious to make known that after three years' suffering from catarrh of the nose and throat I have been cured by Catarrhose. I was treated by many doctors of wide reputation. I have used scores of different remedies. I have suffered everything catarrh entails, and am convinced that no medicine is so sure to cure as Catarrhose, which did me untold good, and completely eradicated this awful disease from my system." (Signed) SAMUEL E. MACCAULEY.
