Polite
Attention

Doesn't necessarily mean an oily
smile and honeyed words.
Such out-of-sincere "polite-
attention" salesmen has your or-
der.

When we say we'll give you our
polite attention, we mean it in the true sense
of the expression.

We'll give you courteous treat-
ment from the instant you ap-
proach us until the fuel is deliv-
ered.

We want to serve you not once,
but many times. We want you
to be fully satisfied. We want you
to be in business 25 years, and
our first customers are still
among our truest friends.

Doesn't that speak "polite-
attention" to their wants?
We are ready to give you the
same good service.

Effect of a Complete Cure in the Case of
MRS. CAROLINE HUTT,

She says: "It affords me great pleasure
to speak about what your Heart and Nerve
Pills have done for me. About a year ago
I was taken ill with heart trouble and got
so bad that I was unable to do any work
for four or five months. I got so weak
and miserable that my friends thought I
was going to die. The doctor attended me
for some time but I continued to grow
worse. At last I decided to try Milburn's
Heart and Nerve Pills, and after taking
two boxes they made me well and strong
again. I cannot praise them too highly
to those suffering from nervous weakness
and heart troubles."

WELL BALANCED NERVES.

YOUR SUCCESS IN LIFE DE-
PENDS UPON THEM.

If Lacking In Nerve Force, Build
Up Your System With Ferrozene—
It Has Helped Others—
Let It Help You Too.

Happy is the man who can work
unsuccessfully without fear of an "at-
tack of the nerves." He gets along,
prosperous, rises to position of power
and importance, and is respected and
pushed over the heads of his weaker
brothers by virtue of being capable to
do and act when necessary calls.

The weak, nervous man is distanced
before the race starts. But he
shouldn't give up without trying what
Ferozene can do for him. This
strengthening tonic has great power
for building up people who are run
down, tired and exhausted.

Ferozene acts directly at the root
of the trouble and drives all impuri-
ties out of the blood. Then it gives
the blood an additional supply of iron
and other strengthening elements
which enable it to nourish the nerves
back to normal condition. Once the
nerves are toned up, indigestion and
stomach trouble disappear. Then your
system is in good order, and is
capable of being rebuilt in the proper
way. Nerve tissue is specially flabby
again strength, and before long the
half-wrecked man glories in the new-
found vigor that Ferozene has
brought him.

You may have tried a hundred re-
medies; they may all have failed. But
this mustn't influence you against
Ferozene, which is so different from
other preparations. Ferozene actual-
ly makes blood, and makes the kind
of blood that is especially recommen-
ded for chlorosis, anaemia, lassitude, weak-
ness and all disorders arising from
impaired nerves or blood. Try Ferro-
zene yourself. Price 50c. per box, or
six boxes for \$2.50. Sold by druggists
and by mail from N. C. Polson & Co.,
Kingston, Ont., and Hartford, Conn.,
U.S.A.

WILLIAM HILLIS SKIPS PRO-
BABLY ACROSS BORDER.

It Is Thought He Tried To Liber-
ate Yates — Escape Carefully
Planned—Half a Dozen Charges
Against Him For Burglary.

Hamilton, Jan. 11.—William Hillis,
who with Herbert Yates, was to have
been tried at the winter assizes next
week, for alleged burglary, broke jail
some time during Saturday night. He
has not yet been recaptured, and the
belief is that he has crossed the bor-
der, and that he is now in the United
States. Hillis before going away at-
tempted but unsuccessfully to liber-
ate his companion Yates. There are
reasons for believing that the escape
was carefully planned, and that Hillis
received assistance from the outside.
There are half a dozen charges
against Hillis and his companion, and
in addition, the men were charged
with bringing to Canada revolvers
stolen from the army of the 65th
Regiment, of Buffalo, N.Y.

HE WAS INSTALLED.
Interesting Ceremony In St.
George's Cathedral.

A very interesting ceremony took
place in St. George's Cathedral last
night. Immediately at the close of ser-
vice which had been sung as usual
by the newly appointed canon, the
dean, and Rev. William Lewis read-
ing the lessons, the chancellor of the
diocese, Dr. R. T. Walker, advanced
from his seat in the chancel and read
the mandate of the bishop, appoint-
ing Rev. G. L. Starr, M.A., canon
residentiary of the Cathedral Church
of St. George the Martyr. He was
then duly installed by the dean. At
the installation, the bishop preach-
ed the visit of the Magi, to the
infant Christ, with their offerings of
humble adoration, and their costly
gifts, comparing unfavourably the
modern tendency to give to God's
service either self, apart from worldly
possessions, or money apart from
self. This last was an especially com-
mon fault in the sister church in the
United States, and was a cause of
great grief to the clergy.

First Baptist Church:
The congregation of the First Bap-
tist church was pleased to hear Rev.
Mr. Laird, of Cooke's church, yester-
day morning. The evening congrega-
tion numbered 20 to 25. The subject
of the pastor's sermon on "Lessons From
the Chicago Disaster."

A pleasing incident in the Sunday
school yesterday afternoon was the
presentation, on the part of the teach-
ers and officers, of an appreciative ad-
dress, and very handsome Bible, to
Dr. Lake, the highly esteemed and
efficient superintendent. The Bible was
a late edition of the revised version,
with marginal references, concordance
and with marginal Teachers' Helps, and
in quality and make-up of the best.

The address was read by the pastor
of the church and the presentation
made by Miss Calvin, superintendent
of the primary department of the
Sunday school. Dr. Lake was taken
completely by surprise, but returned
heartily thanks to the donors, express-
ing appreciation of the valuable gift,
but more especially of what the gift
expressed.

Church Paragraphs.
Rev. Eber Crumey preached in Do-
minion Methodist church, Ottawa, on
Sunday.

Miss Ada Chown, daughter of A. F.
Chown, is a coming vocalist. She
sang "Abide With Me," with much
taste and expression in Queen street
Methodist church.

Rev. Father J. Meenan, Huntley, or-
dained to the priesthood at Christ-
mas, has been appointed curate to
Rev. Father O'Gorman, at Gananoque.

Mrs. Evans, Mrs. Rees, Len. Cook
and A. Lemmon sang a very sweet
quartet in Cooke's Presbyterian
church last evening during service.

A SUDDEN DEATH.
On Wolfe Island—Many Schools
Without Teachers.

Wolfe Island, Jan. 8.—The entire
community was shocked to hear of
the very sudden death of Mrs. James
O'Brien, which took place at the re-
sidence of George Morgan, on Tuesday
morning, when she and family had
gone to attend a social at Strat-
ford, Ont. Her father, Castle, she
held by the Rev. Father Castle, she
was the net of making a Christmas
offering when she was stricken down,
and lived but a short time, never re-
gaining consciousness. The deceased
was highly respected and of a very
kind nature, always willing to
lend a helping hand wherever her
services were required. A husband and
seven children are left to mourn her
untimely end. The sympathy of all
ones in their affliction. The funeral
took place on Friday morning and
despite the early hour at which it was
held, it was one of the largest con-
ducted on the island.

The funeral of one of our oldest
and most respected citizens took place
on New Year's day, in the person of
Patrick Moran. His sister, Mrs. John-
son, and brother, John Moran, of Strat-
ford, Ont., were here to attend his
funeral; also his daughter, Mrs.
Michael White, Rochester, N.Y. The
deceased's brother and sister left for
their respective homes yesterday. Wil-
liam Laughlin, a rapidly recovering
patient of the recent operation he under-
went, Mrs. Frank Walker's condition
is rapidly improving.

Since the advent of the ice a daily
procession of rag and bone peddlers
can be seen appearing on our streets
at the risk of the sun, where they
remain until the setting of the same,
gathering their motley load of mer-
chandise. It is stated that it is thirty
years since the Kings, which event
occurred on the 31st of December, the
road between the island and Kingston
has been bushed out and is now in a
fine condition for travel. The road has
also been bushed between Cape Vin-
cent and Point Alexander.

Schools have all been re-opened with
the exception of those which have been
unable to secure the services of a
teacher, and there are quite a
number of them. Miss Allen, Kingston,
again assumes control in the village
public school, with the able assist-
ance of Mrs. John Home, who will
teach the junior classes. Dr. Staley is
spending his days with his parents,
Miss John McCarthy and Mrs. James
McCarthy left for Rochester, N.Y., last
week, the former to enter as a nurse-
in-training, the latter to enter as an
assistant.

Customs officer Geoghegan is instal-
led at the point. We learn that Father
Spratt's condition is steadily improv-
ing.

THE SERVANTS
OF ORANGE N.J., HAVE
FORMED A UNION.

Lowest Wage \$25 a Month, Eight
Hours a Day, Half a Day Off
Thursday And All Sunday
Among Demands.

New York, Jan. 11.—The Herald
says there is dismay among the
housekeepers, of Orange, N.J., who
have learned that a servant girl union
is forming as an offset to the women's
club.

Some assert that the women's club
is responsible, but the majority
blame Mrs. Margaret Walsh, a labor
organizer, who has been working
quietly and effectively among the do-
mestics of Orange. She has been agi-
tated by the servant problem for
several months. Families have broken
up housekeeping, fled from homes in
the suburbs to flats in New York, be-
cause the demands of servants reach-
ed the extreme point.

It was only natural that at a re-
cent meeting of the women's club,
called by its president, Mrs. Henry
P. Bailey, the exile of so many should
cause the subject of the servant girl
to be brought up for a discussion.
Things were said that bore the im-
press of having been long nursed in
the speaker's inner heart.

How it got abroad no one knows,
but soon the housewives were coming
in defence, Miss Margaret Walsh ap-
peared. The servant girls flocked to
her standard and hailed her as their
champion. More than 100 girls have
enrolled in the union. It is said, but
membership in the organization and
its meeting places are secret. Among
the demands formulated are these:
Smallest wages to be \$25 per month.
Eight hours a day's work. Half a day
off Thursday and all day Sunday.

The use of the parlor three nights
a week.

The use of the piano for practice be-
tween 10 and 11 a.m.

Family breakfast to be served at
ten o'clock, luncheon at two o'clock
and dinner when it is ready.

No non-union food to be handled,
no remnants of meats to be saved.

One servant lady to be employed for
every three members of the house-
hold. The women not to receive more
than four callers in one afternoon, or,
if she does, she must answer the door
herself.

CALGARY BOOMING.
Cold Does Not Deter The Builders
—A Festive Season.

Calgary, Alta., Jan. 4.—(To the
Editor): The Christmas season which
has just passed, though many in this
country spent it among strangers,
seemed to be remarkably pleasant,
and Dame Nature certainly did her share
in providing most beautiful weather,
and, taken altogether, everyone whom
I have seen seems to have spent a
very enjoyable holiday season. In this
city the Methodist church gave a very
successful "At Home" on New Year's
day to all strangers, which was great-
ly enjoyed and appreciated. In the
evening a mock parliament and dis-
course was held in the old church,
attended by a large audience. The Pres-
byterian church also held an "At
Home" in the Oddfellows' hall on New
Year's evening. It was largely attend-
ed and proved a very successful means
of getting the strangers acquainted.
It was reported few days ago that
Cashel was found near the city, but so
far he is still at large, and by all
appearances likely to remain so. It
is to be hoped, however, that the ef-
forts to re-arrest the murderer may
be successful. Only a week or so ago
a poor, old Swede, who had worked
hard all summer, had all his year's
savings stolen from him right here in
Calgary. Some one else, so it is said,
lost a valuable grip in the same way.
It seems that the escape of one crim-
inal from justice has a marked in-
fluence.

In spite of a little frosty weather
and an inch or so of snow, the build-
ers here do not seem to cease their
work. It is wonderful how many build-
ings have been erected during the last
few months, and still the end is not
yet. Everyone predicts that by this
time next year the population of Cal-
gary will be at least 10,000, and cer-
tainly with the rapid strides she has
made in the last six months, I don't
see why it shouldn't be so.

A great many people from the city
and also from all along the C. & E.
railway have taken advantage of the
excursion rates, to visit their friends
in Ontario, and a great many more
who haven't gone, would like to.

With the Whig and all its readers, I
wish you a very Happy New Year—Yours truly,
H. H.
