SPORT REVIEW

R.M.C. II WON THE JUNIOR O.H.A. ROUND.

Defeated Queen's III. Last Night By 5 to 0—Meeting of Kingston Yacht Club—An Intermediate Match Postponed.

The first round of the O. H. A. Junior series in Kingston is over, and the Royal Military College II are the winners.

The better team won last night, that was plainly evident, without even considering the score.

Queen's played the referee's attention to this violation of the rules, and it was noted, it is hardly likely any protest will be entered.

Queen's played the same team as on last Friday night, and displayed better spirit than their military rivals who seemed bound to defeat their old-time enemy at any cost.

This is what Queen's charges. At the beginning of the season Dr. Clarke made an arrangement, whereby the college team would not take advantage of the Peschgroves in that way, and it remains to be seen what team the cadets will line out against the former next Monday night.

In last night's match the cadets were faster than Queen's, in fact in all divisions they were better.

Queen's scored a goal in the latter half, but the real leader, who by the way happened to be a Queen's student, had not the keen eye requisite to qualify for such an important position.

POLICE COURT

CAMPBELL TO RUSTICATE IN JAIL.

A Warm Address From The Magistrate—Stanley Files, for Theft, to Spend a Year at the Central.

The police court this morning attracted a large attendance of spectators, who desired to catch a glimpse of Stanley Files, the man who had attracted a hundred charges of theft registered against him, and Robert Campbell, the young man who was so negligent of his wife and family in mid-winter.

Campbell was first arraigned, and pleaded guilty to leaving his family without firewood, but said he stored food for them to the extent of his means.

Great success has attended the presentation of "The Price of Honor" at the Grand to-night. Another phase of the unending war between virtue and vice is vigorously treated and to witness a performance of "The Price of Honor" is indeed an enjoyable experience.

WEAT CHANGE DO YOU STAND?

If You Are Afflicted With Foul, Offensive, Disgusting Catarrh, Your Progress Will Be Slow.

Catarrh is a terrible handicap in the business and social world. The extreme offensive nature of the foul, irritating hawking and spitting, the foetid discharge at the nose, the watery eyes and catarrhal discharges, all combine to make the unfortunate victim one of the most avoided and despised of mankind.

Many first-class, prominent men have lost good positions on account of their unbearable presence due to catarrh. The catarrh victim is secretly dreaded, and his appearance is secretly dreaded, and he does not know himself how offensive he is as his sense of smell, and frequently taste, is destroyed, leading out of consideration the suffering annoyance and danger of the disease, no man can afford, from a business or social standpoint, to have catarrh for one minute if he can possibly avoid it.

Stuart's Catarrh Tablets have done more to stamp out this disease than any known remedy on account of their universal presence due to catarrh. The catarrh victim is secretly dreaded, and his appearance is secretly dreaded, and he does not know himself how offensive he is as his sense of smell, and frequently taste, is destroyed, leading out of consideration the suffering annoyance and danger of the disease, no man can afford, from a business or social standpoint, to have catarrh for one minute if he can possibly avoid it.
