MEETING OF THE LOCAL BOARD OF HEALTH.

John McIntyre Re-Elected Chairman-Attempting to Trace Source of Typhoid Fever-To Look Into Cases of Improper

The inaugural meeting of the local attending being: John McIntyre, Ald- Brockville on Thursday. erman Meek, W. Simmons, J. D. Mrs. Jennie Lakush, Union street, Thompson, Medical Health Officer Fee, has gone to Montreal, where she has and Sanitary Inspector Gordon. On motion of Alderman Meek and W. J. Simmons, John McIntyre was ected chairman asked the members to pertaining to the good and welfare of please consider his speech of thanks elivered, so as to expedite business.

The minutes of the last regular meeting were read and confirmed. A communication from a Montreal manufacturing firm, offered to supply a quick and effective patented fumigator.-Fyled for reference. Three accounts for small amounts

were presented and passed. The medical health office reported that during December there were fyled with him reports of eleven cases of diphtheria and four of typhoid fever. It was pointed out that two deaths students of Queen's-had occurred during the month, which led Thompson to ask concerning the sanitary condition of the university

sult of his investigation, in an tempt to trace the origin of the last case reported. The attending physician was unable to give it. The chairman interviewed Principal Gordon, who said the medical professors had met and discussed the question and re- to the death of the father of Mrs. A. ported that the university buildings H. Meanwhile he had of Oshawa, Unt., having resided in the ordered bacteriological examinations town for over forty-five years. He was Corps, assisted by members of the The speaker read the results of these. Both samples showed lack of cleanliness, one being particularly bad, emitting a foul, stable odor, while bacteria, but not of a typhus type, were present in excessively large numbers. The other sample was not so bad, but

was far below the standard. Mr. Mc-Intyre was forced to conclude that the disease could not be traced, but in this respect he hoped members of the medical profession would give the board every assistance possible. Alderman Meek pointed out that both samples of milk came from the county and he asked what action the

board could take. Mr. Thompson replied that the board could prevent it being brought It was decided to send strongly Mayor Bell, president, presiding. Some ing out that the milk they were de
