The Tidings From Various Points in Eastern Ontario—What People Are Doing and What They are Doing.

Joyceville Jottings. Joyceville, Feb. 9.—The Farmers' Institute held meetings here on Thursday of last week. The concert in aid of St. James' church on Friday, the 5th, was a decided success.

Mines Being Operated. Gladwin, Feb. 9.—T. J. Kelly is seriously ill. D. McGowan, on the sick list, is recovering. Farmers will be glad when spring opens, there having been such a siege of winter, and the roads having been in a very bad shape for travelling.

Perth Road Bumbblings. Perth Road, Feb. 9.—The farmers' convention was held in the town hall at Perth road, February 2nd. Not a very large crowd was in attendance.

Roads Almost Impassable. Bell Rock, Feb. 9.—The roads have been almost impassable in some places. The mail carrier could not get through to Moscow for two days last week.

Bridge Completed. O'Neill's Corners, Feb. 10.—Roads are in perfect condition. I. Timmons is drawing hay from his farm in Bell Rock to his home in Enterprise.

Purchased Machinery. Bonnard's, Feb. 10.—C. F. Allison, Annapolis, has purchased the machinery from Messrs. Bonnard and Harrison for manufacturing stock for apple barrels.

The Broken Down Nervous System

Often Found in Persons Who are Apparently in Good Health—Extraordinary Effects of Dr. Chase's Nerve Food

It is not always the pale and bloodless who suffer from nervous exhaustion, and when a person of apparent good health finds himself almost helpless he gets little sympathy from physician or friends and not infrequently his ills are attributed to the imagination.

A tendency to put off the duties of the day, indisposition for exertion or concentration of the mind, depressed spirits, weakness at sight, indigestion, headache, feelings of fatigue and lassitude, dizziness, specks before the eyes, noises in the ears and irregularities and derangements of the various organs are among the most common symptoms of nervous exhaustion and prostration.

Nervous diseases are slow in coming on and patience is necessary in their treatment. Dr. Chase's Nerve Food is absolutely certain to be of benefit to anyone suffering from exhausted nerves, for it supplies the very elements of nature which go to create new nerve cells and instill new vigor and energy into the nervous system.

Overworked Women.

The Suffering and Pain Endured by Many Working Women is Almost Beyond Belief.

How distressing to see a woman struggling to earn a livelihood, or perform her household duties when her back and head are aching! She is so tired she can hardly drag about, and every movement causes pain, the origin of which is quickly traced to some derangement of the female organism.

When the monthly periods are painful or irregular, when backaches and headaches drive out all ambition, when "I-can-hardly-drag-about" sensation attacks you, when you are "so-nervous-it-seems-as-though-you-would-fly," it is certain that some female derangement is fastening itself upon you. Do not let the disease make headway; write your symptoms to Mrs. Pinkham at Lynn, Mass., for her free advice, and begin at once the use of the medicine that has restored a million women to health—

Lydia E. Pinkham's Vegetable Compound.

Profit by the Experience of the Women Whose Letters Follow:

"DEAR MRS. PINKHAM:—Your medicine has done so much for me I want to tell everyone how it absolutely cured me. Three years ago, when my dear husband was sick, his last illness, I lifted him and hurt myself. I felt the strain, then I felt something give way inside. Afterwards I found it was my womb, and I suffered the most dreadful agonies from falling of the womb. I began dreaming, but could not do my work for pain and nervousness. Trying to sit still and sew seemed to drive me nearly crazy, and I did not seem able to get any help from doctors or medicine. I was so unstrung and nervous I hardly dared to go out in the street, for fear I would not get home safely. It would make me scream to see a car coming even, and I was so terribly run down I did not know what would happen."

"A friend suggested I take Lydia E. Pinkham's Vegetable Compound, and on her advice I bought a bottle. It did me so much good I bought more and kept on taking it, and when I had taken eight bottles I was entirely cured."

"Whenever I hear of a woman suffering I tell her about my cure, for your medicine has helped me so much I know it would help all suffering women. Women need not get so discouraged over their health, if they would take your advice and medicine."—Mrs. BERTHA HARRISON, 244 East 90th St., New York, N. Y.

"DEAR MRS. PINKHAM:—I cannot tell you with pen and ink what good Lydia E. Pinkham's Vegetable Compound did for me, when suffering from the ill peculiar to the sex, extreme lassitude and that all-gone feeling. I would rise from my bed in the morning feeling more tired than when I went to bed, but before I had used two bottles of Lydia E. Pinkham's Vegetable Compound, I began to feel the buoyancy of my younger days returning, became regular, could do more work and not feel tired than I had ever been able to do before, so I continued to use it until I was restored to perfect health. It is indeed a boon to sick women and I heartily recommend it. Yours very truly, Mrs. ROSA ADAMS, 515 14th St., Louisville, Ky."—Niece of the late General Roger Hanson, U. S. A.

Could Not Lie On Her Left Side.

WAS TROUBLED WITH PAIN IN HER HEART FOR SIX YEARS.

Expected Her Friends Would Find Her Dead.

Mrs. C. Bondeau, Campbellton, N.B., was completely cured by MILBURN'S Heart and Nerve Pills.

She tells of her experience in the following letter: "I was troubled with a pain in my heart and weakness for six years. Most of the time I could not lie on my left side. I consulted a doctor but got no relief and was completely discouraged. I did not think I would live long and expected my friends would find me dead. A friend brought me a box of Milburn's Heart and Nerve Pills and I took them to please her, not thinking they would do me any good. I had not used half the box when I commenced to feel myself getting better and by the time I had taken two boxes I was completely cured and can recommend them to all sufferers from heart trouble."

Price, 50 cts. per box or 3 for \$1.25, all dealers. THE T. MILBURN CO., Limited, TORONTO, ONT.

The Late Mrs. Dunn, Erinville. Erinville, Feb. 10.—On Wednesday evening, 3rd of February, there passed away, at the age of eighty-two Mrs. Dunn, one of our oldest and most respected residents. Deceased was a native of Tipperary, Ireland, where she married the late Patrick Dunn in 1830. The next year they came to Canada and settled in Napanee, where they lived ten years. In 1861 they moved on a farm in Sheffield, where they spent the remainder of their lives. Three years ago Mr. Dunn died very suddenly with heart failure, while at work. Since then Mrs. Dunn has been failing in health, but possessed such wonderful vitality that she always attended to her own affairs until four weeks ago, when she was taken down by a severe attack of pneumonia. Dr. Burrows and Rev. Father Casey were called upon and she got relief after a few days. Although very weak in bodily strength, she possessed wonderful strength of mind until the very last when she was suddenly called away; the immediate cause of her death being heart failure. Quite a large number of her friends attended her funeral, although the weather was very unfavorable. Deceased leaves to mourn her loss, one child, Mrs. Thomas Garrett, and eight grandchildren.
