> Are Subscribing Liberally. Kingston people are evincing a great nterest in the new Toronto-Kingston electric railway, and the projector state that subscriptions are coming in rapidly. At the subscription price the bonds will net the investor 51 per cent., and are a first lien on the prouerty. The stock paying six per cent wil give the investor an eight per cent- income, and the "blocks" of stock and bonds should net 6 2-3 per sidered, together with one-half the freight rates and low express charges and the additional business which Kingston should obtain through the

new road, it is no wonder that the

Kingston people subscribe liberally.

It is money in their pockets and the

new road should help the city as no

other enterprise has.

Member's Services Acknowledged. While the street railway case was inder review at the council meeting last night, John McIntyre, acting city solicitor, said the Kingston deputation while in Toronto were shown every kindness by Mr. Pense, member for Kingston. The deputation were i debted to him for a great deal of attention. The speaker felt bound to acknowledge the vigorous manner which Mr. Pense had taken hold of the street railway matter and prose cuted it to the very end. The speaker, smilingly, said he was induced to make this confession on the assurance that there were not any politics prevailing around the council board. It was due to Mr. Pense that the city was enabled to have the act petition- Office, 61 Clarence street. Thous 396,
