POLICE COURT TIDINGS.

reserve.

Merchants Arraigned For Viola-

tion of By-Law. At the police court this morning a dozen or fifteen merchants were arraigned before the magistrate charged with a breach of the by-law pertaining the care of granolithic walks. These merchants had taken advantage of the soft weather to remove snow and ice from the walks fronting their places of business, most of them using a flat-chisel-like implement, made Sis. Hopkin's Own Book. expressly for the purpose, to lift the ice from its bed, without any injury Just Fun, "That's All."

Acting City Solicitor McIntyre in The Foolish Book. to the walks. formed the court that convictions raigned and other citizens should be Judge's Library, etc. says it is not his intention to accept made aware that they should not use a hardship under which the merchants in Scotland and Germany. He is a rested by reason of the by-law in question. He thought the by-law ought to be medified, and would suggest to council that such be done. The magistrate thought that the

merchants "stood between the devil and the deep sea," inasmuch as one by law compelled them to clean their walks while another said they must not use iron implements to do so. walk without such. He dismissed the raigned for using blasphemous lan-

guage on the streets. The trouble arose over the soldier trying to perform his duty as a citizen, by removing ice from the walk fronting his place of residence. He was using an iron implement made for the purpose, but put it away when warned to do so tion employees to use picks and sho- George Kelly got gloriously "full" was obliged to put six stitches in the wound.
