Father O'Gorman's string will shown, including Celtic Badger, the champion Irish terrier of the world. This dog was awarded by the Domin jon government \$250 for the best dog of any breed in Canada. The manner in which Father O'Gorman was presented with his dog is in itself a story of great interest. Father O'Gorman, who is a priest

of the parish of Gananoque, Ont. while visiting in Ireland had seen this dog but had refrained from purchasing him because of the fabulous price asked. Upon his return home, he could not resist telling his parishioners the good points of Celtic Badger. By means of a conspiracy on the part of his flock, a cable was sent, the dog purchased and presented to the Rev. Father O'Gorman as a gift from the members of the church. The price paid is said to have been \$750.
