SURPRISE YOU?

Paralysis Caused By Coffee Alone. Coffee alone frequently causes paralysis as a young woman of Mount Vernon, Ill., proves :

"A few years ago my mother suffered a severe attack of paralysis on the left side. She was for several weeks helpless and almost speechless. We did not know at that time exactly what caused the attack but we did know she had always been a coffee drinker and, that after the attack, leaving off coffee entirely and using Postum instead she rapidly gained in flesh and general healthfulness and it was not long before all traces of paralysis passed away and she is again strong

"There appears to be no doubt that his was a case of 'coffee paralysis,' cured by leaving off coffee and using Postum in its place.

"I also was a coffee drinker subject to headache and a general tired, worn out feeling most of the time until Poshome of his son-in law, at the Royal tum came to my notice. Quitting the coffee and drinking Postum bantended, testifying to the esteem in ished the troubles in a short time and now unless I return to coffee I never was conjucted at St. Mary's cathedral suffer the headaches and my genera "At first we didn't like Postum be

> cause we did not make it right, but now I make it just according to directions, boiling it full 15 minutes, and in this way it gives satisfaction always and is praised by everyone who tries it." Name given by Postum Co., Battle Creek, Mich. Paralysis sometimes comes from de

ficient blood and lack of nervous force. Coffee directly attacks the heart and nerves. Taking away the cause (coffee) and putting the rebuilder (Postum) at work, effects the cure,

JUDGE DEACON

Has Retired After Long Efficient Service. It can be obtained for 81 at W. H.

Pembroke Standard. Last week Senior Judge John Deacon received notice from the department of justi e, Ottawa, that he had been retired under the statute with full salary. It is befitting that more than mere passing note should be made of the retirement from office of one who so long and so ably filled the Lighest judicial position in

Judge John Deacon was born in the

township of North Burgess, Lanark

county, Jenuary 1st, 1823, and is therefore now in his cighty-second year. He is still hale and hearty, and stows an exceptional degree of vigor and clasti ity, both of mind and body While but young his family moved in to the town of Perth, where he attended school and afterwards studied law with Daniel McMartin for seven years. He was made an attorney in August, 1844, and in November, 1848, he was called to the bar and practised his profession in Perth for twentytwo years. In August, 1866, he was appointed the first county judge of the county of Renfrew, his commission taling effect from October 10th of that year, so that for over thirty-seven years his honor has occuried bench of the county. That he served this county well and truly the high position he was called to fll no one will deny. He was noted for the careful, methodical and even preise manner in which he discharged the duties of his office and his decisions Sis. Hopkin's Own Book. were very rarely upset on appeal. Who his successor wi'l be has not yet been made known. It has been rumored for some time past that our townsmen, John J. O'Meara, would Puck's Library, "Quacks." he appointed to the position. newspapers going so far as to say that "he carried the promise of appointment in his waist-coate poche'," but the fact remains that has not yet been appointed the barrier in the way being that certain parties went Mr. Anglin, of Toronto, appointed to the bench and it is hinted that he will be satisfied with the county judgeship of Renfrew.

The Tone Of Voice. It is not so much what you say

As the manner in which you say it It is not so much the language you us As the tones in which you convey Come here !" I sharply said And the baby cowered and wept; Come here !" I coord and he looked

And straight to my lap he crept

The words may be mild and fair, And the tones may pierce like a dart The words may be soft as a summer' And the tones may break the heart. For the words but come from the mind.

And reveal the state of the heart. Whether you know it or not. Whether you mean it or care Gentleness, kindness, love and hate, Envy and anger are there.

And grow by study and art:

Then would you quarrels avoid And in peace and love rejoice.
