THE SEASON.

Montreal-Last Practice of The Beechgroves. Though the Beechgroves have been or two, successive years in the O.H.

A. junior finel, yet this sensor, as Large Crowds At The Theatre vas the case a year ago, wil see that July "in the hele" financially. Too nany matches away from home, and too lew int home that's the cause. Last senson, the Leechgroves had four with a local team and hence yielded fee for them is orly fifteen cents and for ladies nothing. They travelled twice to Bellwille, once to Cohourg, Hope-five times away, and didn't get derful. Then the costumes are of the nearly enough to pay expenses. This best, senson it is doubtful if the Beechgroves have received \$100 in gate reeipts, for the home match with Co yourg was defaulted. The Kingston team has travelled to Cobourg and to Toronto. Now it again goes to Toronto, and consequently it will take more than is in the treasury to pay the riper. Such is the fate of eastern championship team, which is left penniless, even though it win the cup, while dub teams on every side ci it have full coffers.

Farrack street. THE ROOF COLLAPSED.

The Weight Of Wet Snow Carried

The unexpected extremely soft weather following Monday night's heavy snow fall, has resulted in considerable damage to different places around the city. R. G. Wilson, livery | rode out on a K. & P. special train keeper, foot of Princess street, was The sale was well attended and satisone of the heaviest sufferers. The roof factory in every respect. of his horse stable, 40 x 60 feet, fell last evening, being carried down by the weight of snow on it. Beyond the destruction of the roof and the loss of some hav, which was rendered unfit for feeding purposes, no damage

The roof fell in about half past five o'clock. About twenty-five horses were and these were terrified by the crash, plunging and rearing in an effort to break loose. There was five tone of hay in the loft overhead, and it is a wonder the ceiling did not collapse from the extra weight of snow and the heavy roof. Had this also gone down, it is likely every horse would have been killed.

The Other Side.

Attention has previously been drawn o the fact that though it is a breach f a by law for citizens to use iron implements in removing ice from granolithis sidewelks, corporation laborers may do so with imputity. Yesterday afternoon two laborers, acting under instructions from a city official, ed condition I was unable to eat anyused sharp pointed ricks in removing ice from a sidewelk-on Ontario street. Every blow struck the wells, but still they backed away, unmindful of inury which they might inflict.

> Another Old Steamer. 'Another Mariner' writes to ask here are any old sailor men around Kingston who remember the steamer Dawn, which plied these waters wards of half a century ago. was a large steamer, he says, with a powerful engine stroke, and used to run on the route between Kingston and points to the east.
