SPORT REVIEW

BECGHGROVES ONCE MORE their best players were not with them.

The New York Wanderers Hockey ARE READY

For The Final O.H.A. Jumor Match-Degeneracy of Hockey in The East-Montreal Wanderers Are Going to Pittsburg,

The Beechgroves for the third time are prepared for the O.H.A. junior final match. They would have played better ten days ago, for it is now two weeks and a half since they have had a match, and the danger of staleness exists. However, they wil be prepared to meet Listowel in Toronto to-morrow night in fairly good form. They had a practice on Saturday right, all being out except Vanhorn. This evening they will have a fteen minute skate to limber up. Listowel should be able to get to Toronto to-day. They have already kept the Kingston team waiting a week and storm or no storm, the junior championship match will be decided o-morrow night.

the Eastern league this season. Degeneracy Of Eastern Hockey The Ottawa Journal, of which P. Ross, trustee of the Stanley cup. for failure to keep the field clear of editor, says editorially "Unless radical change occurs at once in the conduct of hockey matches, the noble winter sport of Canada must, in at least this part of Canada, sink the public estimation to the level of working out in town. pugifism. This has been said a good elected on Saturday evening as follows: Honorary president, L. L. Boland Quebec go on the ice from an ton, M.A.; president, J. W. Warren; showing especially so when the fact hour to two hours late, they tolerate vice-president, J. A. Aiken; secretary, is taken into consideration that of the delays which usually aggregate A. M. Bothwell; captain, H. Dunlop, She writes: "I was so run down that | doubly the playing time. They make weak and nervous all the time. My course for a foul player to be ruled League circuit as well as one of the husband got me a box of Milburn's Heart off time and again, but with no more most famous centres of the diamond sport, is off the map for, at least, one serious penalty than two to five minutes' retirement. The finest game in year. the world, to watch is hockey, as our leading Canadian teams can show. > Investigator's " Statements Regarding Electric Lines Not Paying Answered-Juggling of Figures Charged, Kingston, March 5 .- (To the Edi

tor): In your issue of February 26th, you published a letter headed "What a Report Declares," as signed by "Investigator." This letter was evidently where a series of matches have been arranged with the outlaws. The Monunexplained reason is more than anxing the trip, and the C.A.A.U. foolish jous not to see the Ontario Electric railway a success. He refers in his letter to the report of the railroad Canadian teams go to Pittsburg, they imply encourage professionalism down commissioners in Massachusetts, and states "that out of one hundred five companies no less than sixty-five new and old declared and paid dividends." He further states that gentleman of very large experience interested in electric lines operating in Many specials for Canadian dogs Massachusetts stated that electric lines will be given at the Buffals bench do not pay except when operated within densely, populated city districts or within a very short radius pected to be one of the strongest in thereof like Boston and its immediate

Now, "Investigator" only investigates enough for his own benefit and some times only part of the truth conveys a very wrong impression. If "Investigator" had cared to do so he might have read in the report in question that the Massachusetts roads as whole earned after paying all charges, an average of 5 23-100 per cent on their entire capital stock of 860,036,328, which is a good average dividends, twenty two or one-third of the total having a combined capital of \$3,613,700, were either under construction or had not been in operation a full year. That there were seventeen leased on consolidated lines, that one road is a very small affair and only operated two months in the summer, that another has less than two mile of track and that still an other is principally situated in Rhode Island and its principal earnings are

Of the roads paying dividends, only

seven are strictly city roads, six o which pay dividends and one does not. Of the local roads running independently twenty-two paid dividends, twenty-two did not and the remaining twelve earned dividends but for vari-Chatham is going into lacrosse this ous reasons did not declare them. To sum up : Out of one hundred and five roads, after deducting the roads not running a full year and not reporting fully and roads not operating indepen dently, we have sixty-three remaining, forty of which earned dividends, and stantiate their claim to fast company of the roads operating independently the Chatham management are already between cities and towns after deductout after players of the mercenary ing roads not in operation one year, kind, that Brantford hires to repre-

thirty-four out of fifty earned dividends. This disproves the statement of the "gentleman of large experience." The "gentleman of large experience" further knows that the roads during the year in question made the poorest showing with one exception for period of many years. And he knows further that it was owing to the climatic conditions existing at that time "Investigator's" "statements show ing the relative statement of popula tion of Ontario as compared with Massachusetts may be true, but if he

will compare the square mileage of Ontario with that of Massachusetts and note in what part of the province the population is, the reader will see at a glance that in this as in the case said that there are few who can speak of the report of the Massachusetta railroad commissioners, he is not giv ing the whole truth and is juggling
