## The By-Law Carried by Overwhelming Majority.

Only 37 Votes Cast Against It -- Kingston Takes, played. The Gainsborough with flat- and 25c., at Wade's. Another Step up the Ladder of Municipal Ownership--The Written Decision of Privy Council is Eagerly Awaited.

estion: Shall the city own the plan; which supplies light, heat and power ole? The answer was, Yes, and the answer was so loud and is to take over the lighting plant. "Without that we can proceed no furling the street railway.

Burnette was persuaded to "clean out" the office. When asked if he would oting day approached, those five to one was not reckless, proportion comes to about thirty-eigh to one. The fact is that these thirty seven voters represent probably more than ten persons, as a good por ticn of them were duplicates and trip licates. Hence the vote was virtually

The voting was carried on very There is very little to fell sbout it, except that the civic organization at the polls was complete in every respect. Only two thirds of the number of freehold votes were policel. iz.: 1,434 out of 2,149. This is accountable to a great extent to fact that many owners were so the by-law would have scarcely opposition, that they would not aemselves about; while many who had content to cast their ballots just one. Then a large number of owner are not in the city. The vote is quite large enough, however, and the ma-jority is far greater than was ever expected. So thoroughly were the peoducated on the advantages of municipal ownership, with the wat works as an illustration, and so you a bargain as the light plant was sposal, that an adverse could not have been possible
