Bonds For \$25,000 a mile.

anti ipate no dificulty in this respect, I confidently expect that the work of gracing the James Bay reilway from Toronto to Parry Sound will be commenced about next June." Thus stated William Mackenzie, president of the Canada Northern railway, who is closely identified with the proposed James Bay railway, and who arrived home yesterday from England, where he successfully negotiated the bonds for a section of the Canadian Northern railway. "We have had a large force surveying the rorse of the James assistants, and \$35 represented the Bay railway south or Parry Sound number of feet and inches, belonging since last fall," continued Mackensis, to Lig people, and little, which came while the surveys from Toronto with their little silk bags filled with North have been completed.
