FINNEMORE

Judge of the Natal Supreme Court, Sends the Following Remarkable Testimonial

The World Is Cuticura's Field, Used Wherever Civilization Has Penetrated.

"I desire to give my voluntary testimony to the beneficial effects of your Cuticura Remedies: I have suffered for some time from an excess of urio acid in the blood; and since the middle of last year, from a severe attack of Eczema, chiefly on the scalp, face, ears and neck and on one limb. I was for several months under professional treatments, but the remedies prescribed were of no avail, and I was gradually becoming worse, my face was dread fully disfigured and I lost nearly all my hair. At last, my wife prevailed upon me to try the Cuticura Remedies and I gave them a thorough trial with the most satisfactory results. The disease commenced to grow again. A fresh growth of hair is covering my head, and my limb (although not yet quite cured) is gradually improving. My wife thinks so highly of your remedies that she has been purchasing them in order to make presents to other persons suffering from similar complaints, and, as President of the Bible Women's Society, has told the Bible women to report if any case should come under their notice when a poor person is so afflicted, so that your remedies may be

resorted to." · ROBERT ISAAC FINNEMORE (Judge of the Natal Supreme Court), Pietermaritzburg, Natal, Oct. 29, 1901 Cuticura Resolvent, liquid and in the form of Chocolate Coated Fills, Cuticura Cintment and Cuticura Soap are sold throughout the world.
