THE FIRST

OF THE SEASON BY THE OLD PIERREPONT.

Got Across To The Islands-The Ice Is Wearing Fast Away-Wind and Rain Cut Channels

Into It. The harbor was quite inviting this Dickson, an old man was found dying by this of apoplexy on the street early this morning. He is still alive at the Emmorning. He is still alive at the Emmorning for the steamer Pierrepont, the hero of dozens of successful attacks, to go out to battle against the lacks, to go out to battle against the steamer Pierrepont, the hero of dozens of successful attacks, to go out to battle against the steamer Pierrepont, the hero of dozens of successful attacks, to go out to battle against the steamer Pierrepont, the hero of dozens of successful attacks, to go out to battle against the steamer Pierrepont, and that the magistrate since the latter part of Dozenber. the return of the girl to clear him. through it. Between Wolfe and Garden

had been smashed by Lewis. Taking not to have been done until Tuesday. looked over the "gunboat" and found her to be in the best of condition.

Canadian ticket takers, was at the gangway calling out "Tickets please ! who even now tried her best to have Tickets please !" The aged purser was drunks were each fined three dollars nounced that his whiskers would do chill went off the atmosphere. Then there was John Stansbury, the active and popular wharf and storesman, in his new suit of blue, bowing like a man from gay Paree, and extending his large-hearted hand for friendly grasps. An "actor girl' became en amored of John last Thursday night. claiming that he saved her life when the ice boats got into trouble. She was hurrying here to join the "Silver

J. A. Goodearle was elso on the cli ferry wharf, with his pleasant snile and gave the order for the old gunboat to get out and do business. The Figrrepont started out amid cheers, her old whistle replying to the wharf acclamations. Capt. James Allen, who has piloted her through the ice to open navigation, for many years, was "among those present," his silvery locks waving gently in the breeze. A far away look was on his sea faring face, for he was thinking of the bygone days when his hands, still as strong as they were ten years ago, held the Pierrepont's wheel, and guided her over the ice bound The steamer came inside the Mar-

tello tower, and then steered straight course for Garden bland. in the historic engagement will be The passage was quite easy, the ire dedicated at Shiloh. April 12th and yielding rixly. It took the Pierrepont but a short time to run across. Then she proceeded to Wolfe Island, and returned to the city to make an other trip across by noon. This af ternoon she was to go down the river, and try and get around to Cape Vincent.

Navigation this year at Kingston thus opens on April 11th. Last year it was March 14th; in 1902, March 24th; 1901. April 8th; 1900, April 9th, 1899, April 10th; 1898, March 13th; 1897, April 1st; 1896, April 14th,

BIG FLOOD AT TWEED.

Bay of Quinte Railway Bridge Swept Away.

The Moira river at Tweed, Ont., is that the police of Berlin have arrest away. The electric light company's ed several persons supposed to be foot bridge over their dam has gone er house. The Deseronto Milling com pany's dam has been badly damaged taking away the slide and stop-logs The water is in the engine-room, and the mill cannot work. The electric light company's new brick building has the side torn out by the ice. The On tario Powder Works bridge is in danger. The water is still rising very fast

and may do greater damage. Mr. Macpherson, secretary of the On tario Powder company, Brock street. said that at eleven o'clock he was in formed that the bridge was still stand ing and there was a possibility of saving it. "We have men on it who are watching and sheering off the sawlogs as they come down, and passing them under the bridge. The bridge struck head-on by some of the and men were put out to prevent fur ther damage from this cause. The wa ter is the highest ever encountered.' It was also learned that the Red bridge, between Madoc and Marmora had been carried away and in the district the C.P.R. was covered with three feet of water.

Washout On K. & P. Railway.

There was a washout on the K. P. railway beyond Sharbot Lake, and Monday's trains from the north had to be cancelled. It is not expected that anything serious will result. The railway office here expected the trains to be running again on Tucsday. The road from Sharbot Lake to Kingston is all right.

Sorry He Is Leaving.

"Chaucer" Elliott left to-day on the noon train for Montreal, where he will make connections for Concord, N. H. While his many friends wish him success in his new venture, they are all sorry to see him leave Kingston. and hope he will return at the end of the baseball season. "Chaucer" has always been the king-pin of the baseball aggregation of this city and without his aid that popular summer game may possibly be a minus quantity this season. There is some talk of a city league being formed, but chances appear to be very slim for a good
