GEN. MAISN'T IT SECRETARY OF LEGATION DISCUSSES THE WAR.

May Involve The Chinese-But Gen. Ma Can't Rush Into War With Russians Unless Ordered To Do So.

Paris, April 29,-Mr. Ou, first secretary of the Chinese legation here, in an interview on the danger of China being drawn into the Russo-Japanese war, said that Gen. Ma was not a very important personage and had neve been commander in chief. He command of the regular troops in the province of Pe Chi Li under the viceroy of Tien-Tsin, who would incur the death penalty if he acted without the direct orders of the Pekin government which, the secretary said, was determined to maintain neutrality. Moreover, Gen. Ma had not more

han 15,000 troops, which there was no reason to suppose were ill-disposed toward Russia Asked point blank whether he

not forsee the danger of complications the secretary admitted that the Chinese people were favorably disposed toward the Japanese, and in this fact there might be a possible source trouble. If the Buddhist priests and the secret societies stirred up a revolt and the rebels attacked the Russians the latter might consider the imperial
