THE CROP OUTLOOK.

What Are The Prospects From Many States.

Washington, May 4.—The weather bureau in its weekly summary of crop conditions...

With the exception of Kansas, southern Missouri and Arkansas, corn planting has progressed slowly...

In Nebraska, Kansas and Michigan winter wheat has advanced favorably...

In Illinois, Kentucky, Tennessee, the Virginias, Maryland and North Carolina an improvement is indicated...

With practically no rain in the spring wheat region, seeding has been vigorously pushed...

Unseasonably cool weather, generally throughout the cotton belt, has been unfavorable for germination and growth of cotton.

In Tennessee, Kentucky and Ohio tobacco plants are small and growing slowly...

While most reports indicate that peaches have been extensively killed, the outlook looks promising in sections.

BETRAYER'S LEG CRUSHED. GOT 6 MONTHS.

MAN WHO MARRIED WOOD-STOCK GIRL. Claims He Was Swindled—Sent Fee For Legal Opinion As To Rights To Marry And Got Advice of a Bogus Lawyer.

Woodstock, Ont., May 4.—William Henry Smith, alias William Moore, who married Mary Ball, in Fredonia, N.Y., in May, 1911, and Miss Emily Cooper, of Woodstock, in this city in January of this year, the last being his third matrimonial venture, was, yesterday, sentenced to six months in the central prison by Judge Finkle for bigamy.

According to Smith's story he was the victim of a swindle. He sent \$10 to a street car employe in Fredonia named Martin, asking him to get the advice of a lawyer as to whether he was a free man or not.

Smith was legally married to the Fredonia woman by a Plymouth Brethren minister, now an ex-convict, but a regular minister when the marriage was performed.

LET CHILDREN USE LEFT HAND.

Dr. G. M. Gault, in Science. I have never seen anything but bad results from the attempt to train children to use the right hand instead of the left when there is a decided tendency or habit to be left-handed.
