A PASTOR'S WIFE CURED OF PELVIC GATARRH

She Suffered for Years and Felt Her Case Was Hopeless—Cured by Pe-ru-na.

RS. ANNA B. FLEHARTY, recent IVI Superintendent of the W. C. T. U. headquarters, at Galesburg, Ill., was for ten years one of the leading women there. Her husband, when living, was first President of the Nebraska Wesleyan University, at Lincoln, Neb.

In a letter written from 401 Sixtyseventh street, W., Chicago, Ill., Mrs. Fleharty says the following in regard to Peruna:

"One of my neighbors advised me to try Peruna. A bottle was immediately secured and a great change took place in my daughter's as well as in my own health. Our appetites improved very greatly, the digestion seemed much helped, and restful sleep soon improved us, so that we seemed like new
