Toronto, from Ottawa. all public functions during his stay in England, Lord Curzon of Kedleston will it is expected be privately entertained at a banquet by his parliamentary and other friends. According to present arrangements Lady Curzon will return to India in October with

The wonderfully youthful aspect of the first lady in England is an eloquent illustration of what care, common sense and moderation can do to preserve good looks and juvenility. Queen Alexandra has never induloed much in games or sports which entail over-fatigue or exertion, but she is a strong believer in open air exercise and the healthful effects of judicious exercise. Although her majesty cannot be said to have shared Queen Victoria's admiration for cold winds and a low temperature, she is fully aware i of the direful effects of overheated rooms and lack of ventilation. "happy medium" in every phase of Miss Bickford. Among the guests her daily life is the explanation of her

A Marvellous Discovery.

caught up with trails of lilies of the

New York, May 17 .- The World says: Thomas Halpin, whose back was broken on May 7th, when he was hurled from a toboggan, on which he was coasting, has recovered. His youth and marvelous constitution have wor a victory that science appeared to consider was next to impossible. The operation which is a rare one, is call ed laminectomy, and its results are not always satisfactory. In the case of young Halpin, however, it seems to have been entirely successful. The paralveis of the legs is gradually disappearing and sensation is slowly con ing back to them."

Our shoes are sure to please you, because they are always up-to-date and lowest in price. Abernethy's Shoe
