WHAT WOMEN SHOULD

KNOW. That the cause of a great deal of suffering, usually supposed to be on account of female disorders, is overcome by ANTI-PILL, the discovery of Dr. J. S. Leonbardt.

A great amount of womens' ailments are caused by the food that is taken being turned (through improper digestion) into poison instead of nutrition. This poison carried by the blood throughout the system, makes weak women-women who are hardly ever well-nerves in dreadful conditionlimbs ache, back aches, head achesbillious, constipated. ANTI PILL, the Great System Treatment, will correct these troubles-it starts its work by making a well stomach-It insures strength to weak women-It is harmless at any stage or condition of a woman's life, and there is no time ANTI-PILL cannot be used with safety. follow its use, mail us wrapper with name of druggist from whom purchased and get your money back by return mail. TWO THIRDS OF A BOX OF

Doan's Kidney Pills CURED HIM.

He tells of his experience in the following words: "For four months I was troubled with a lame back and all this time was unable to turn in bed without help. I tried plasters and liniments of all kinds but with no effect. At last I was induced to try Doan's Kidney Pills, and by the time I had used two-thirds of a box my back was as well and as strong as ever and has kept so ever since."

Backache, Frequent Thirst, Scanty Cloudy, Thick or Highly Colored Urine, Puffing under the Eyes, Swelling of the Feet and Ankles, are all symptoms of kidney trouble that Doan's Kidney Pills will cure.

New enterprises have received decided check; new incorporations during the first four months of this year were scarcely one-third of those created in the same period of 1903 and 1902. The reasons for this large shrinkage in new enterprise are : First the general recognition of business reaction; second, that costs and wages are often prohibitive; third, unsettled labor, conditions, and fourth, uncertainty about crops and the election. There is no occasion, however, to be distance, and spending a month with unduly depressed by these developments.
