Building Of Walks. The clause in the board of works' report concerning the question of taking advantage of the statute giving council authority to build sidewalks and charge the whole cost to the resi dents along whose property the walks pass, received some discussion. Ald. McLeod wanted to know if only a few odd walks were to be built in that way, or did the board of works intend to adopt the system as a generabsence from June 27th to July 9th, al principle. If so he would oppose such action. It would be a hardship to many people.

Ald. Knapp said that at present, it. was to be adopted in only two cases. However, since the board of works From C. A. Macpherson, objecting to had last met he and Ald. Meek had dog tax.-Referred to court of revi- examined the boardwalk on Ontario From Bishop Mills stating that the street, and were of opinion that it street, between Princess and Queen proposed asphalt sidewalk to be laid was not as bad as at first made out on O'Kill street, between Barrie and to be. Hence, he was in favor of with-George streets, is not needed .- Refer- drawing the clause referring to it. The walk was good for two years yet.

Ald. McLeod said he was glad hear a chairman say he did not wish as the board of works seemed to be doing. Ald. Bassam criticized Ald. From William Holder, Montreal Knapp for opposing in council what was in the interest of the city to lay From Margaret Lennon applying for the walk, and his advice should b

> Ald. Sears claimed the walk was bad. If the council passed the clause in the report, the probability was that the residents affected would peti tion for a permanent walk, as that would be the cheaper for them. Ald Meek gave his opinion, which he em bodied in a motion and which was adopted later on

On motion of Alds. Meek and Mc Leod, the clause in the board of works report referring to walks was struck

The O'Kill Street Sewer.

Regarding the O'Kill street sewer, Ald. Knapp said the matter of its extension was very serious. He had several letters within the past week abi board of works had no funds for the extension, and council would have to
