FATHER AND DAUGHTER

Those who are best acquainted with the merits of Dr. Chase's Kidney-Liver Pills do not wonder at their immense popularity as a family medicine.

In thousands of cases they have cured where physicians and ordinary medicines have failed.

Here is a letter we have just received from Prince Edward Island:

Miss Katie Doyle, lot 1, postoffice P. E. I., states: "About three years ago my father was seized with a severe form of kidney disease, which caused him much suffering, as well as anxiety."

Dr. Chase's Kidney-Liver Pills were recommended to me by a friend, and I immediately obtained Dr. Chase's Kidney-Liver Pills and began at once to improve under this treatment.

The symptoms gradually disappearing, until he became quite well again. Since then we always keep these pills in the house for use in the case of sickness of this kind.

"For some time I suffered from pains in the small of the back and accompanying ill and though I was treated by a doctor at considerable expense, I could obtain no lasting benefit until I used Dr. Chase's Kidney-Liver Pills, which seemed to be exactly suited to my ailment. Father greatly benefited and is now well and is able to do his usual work."
