TURKEY YIELDS

WILL GIVE TREATMENT TO UNITED STATES

That Is Accorded To Other Powers -Salute The Batteries on Land And Quit Smyrna. Constantinople, Aug. 15 .- After pro-

longed pourparlers and considerable harging on the part of the Turks, a satisfactory solution of the American school question has been arrived at. This matter, which is the most important of the American demands, was settled by extending to American schools the same treatment as that accorded to schools under the protection of other powers. A settlement of other matters af

fecting American interests in Turkey of secondary importance, has also been effected, and Minister Leishman has telegraphed to Rear Admiral Jewell, in command of the United States squadron sent to Smyrna, instructing him to salute the batteries on land and depart. The sitting of the council of minis-

at which the settlement was agreed upon was a long one. The delay in the settlement is believed to have been caused by the intervention of the palace functionaries, whose policy, in order to retain the sultan's favor, consists of combatting the rights and privileges of foreign sub-

REMOVED A COPPER

train for New York.

Had Been Swallowed By A delicate operation was performed this afternoon by Dr. J. C. Conne'l. a three-year-old girl, the daughter

of Mr. and Mrs. York, Jones Falls. Last Thursday, the child swallowed Canadian one-cent bit with which it had been playing. When the child be gan to choke, its father instrted his fingers in its mouth in an endeavor to pull the copper out. He failed to this, but was lucky in pushing it away from the larynx. The little one suffered greatly, and it was decided to bring it to Kingston to have the copper removed. An X ray examination was made at noon, and the copper located half way between the throat and stomach. By skilful manipulation of his instruments, Dr. Connell sac ceeded in withdrawing the money piece. Provided complications do not set in, the child will be all right in
