The Day Before Chanksgiving

To-morrow will be Thanksgiving at church service and the family dinner with all the aunts and cousins. Then

ther. Down into her shining dishpan dropped a tear, only to be followed by another and another. It was the young wife's first year away from her young wife's first year away from her eastern village home. The winter be-fore Carl Chambers had had a long lness, and the doctors had agreed that, for a few years at least, nust live out of doors. A farm linnesota had been purchased, 'arl and Jessie had begun life anew. The crops had been good. Carl was strong and well. Still, there times when the burden of homesick ness bore heavily upon Jessie's slender shoulders, and that November Suddenly the outside kitchen door ew open to admit Carl. "I'll kill the turkey before I

It had not been easy for Carl to "Carl ought to have looked for me," say just what he meant. Jessie had and she sat up, putting back her dis-not turned from her dishwashing, and ordered hair. The idea of my having it was difficult to talk when one must to stay here all day! What will I address only the smooth coils of do? It is too dark to see anything. brown hair. There was a moment's Carl ought to have looked for me, silence. Then Jessie wheeled round, a He ought-

mockery-here. I have nothing to give thanks for. You need not kill the turkey; I shall prepare no tra-

"Nothing to be thankful for, Jessie.? We have-each other." Jessie made no reply. Instead she rattled her china recklessly. Carl waited a little, then stepped out of the door, closing it softly behind him. The dishes were soon dried and put away. Entering the sitting room, broom in hand, Jessie's glance rested broom in hand, Jessie's glance rested associates, she longed for the friends books and papers. "Carl is so careless, always leaving

things about ! I'll carry some of Hastily sorting over the periodicals, she gathered all save those of recent date up in her arms and ascended the stairs. Above there was a tiny papers were to be stored.

leafless trees outlined against the dazzling blue sky. Afar in the distance gleamed the water of a little for."

asking only that he might be spared you that it would be late. It was you that it would be late. It was you that it would be late. It was just ance gleamed the water of a little for."

The roof sloped so that a person could stand upright only in the vicinity of the door. There was no window, a few trevices along the cornice and the open door serving to light

the door made the light very dim.

Jessie groped her way across the room and pushed against the door. It did and plans for the future not open. She tried again with same result. The jar of closing

sciously Jersie spoke aloud, "I must

THE DAILY WHIG, WEDNESDAY, NOVEMBER 16. Again and again she struck the door Again and again she struck the door, she pressed upon it with all her strength, and, finding a stick upon the floor, she tried to pry it open. It was all in vain; the door remained closed. Jessie had worked hurriedly, impatiently. She stopped and stood leaning against the wall, trembling in every limb. She called: "Carl! Carl!

to the prisoner as if the noise of he home. There will be the dear old voice filled the low apartment. She must make herself heard. There was a noise below stairs. Jessie knew that in the evening the 'crowd' will meet, it was the opening of the kitchen door. at Madge's this year. They will dance, Carl'svoice could be heard. He was ready to start on his proposed drive

search of her. The call was repeated. Mrs. Chambers loudly as she could. There was no reply, but she heard the kitchen door slam. Then came the rattle of the wheels. Carl had gone. Calling, crythe door until her hands were bruised and smarting. She was alone in house. Carl would not return until the middle of the afternoon. She must open
