Opifer per Orbem Dicor."

EDW. J. B. PENSE,

MR. RATHRUN HAS ACCEPTED. It is said that Major Rathbun, of eserento, who has accepted the likeal nomination in East Hastings, is a prervative, and that he is not in ympathy with the liberal party, Well, Sajor Rathbun is the best judge of vith the Ross government or he could not run as a supporter of it. ad their likes and dislikes, and they government. were not, it is true, we'ded to any political party. But the Rathbuns of o-day are displaying a love for the tive political duty and active reprecentation of political ideas and poliministration, with a keen appreciaion of the interests which are dealt with by the legislature, he will make tion appears to be a foregone con-

CONSOLIDATED RURAL SCHOOLS. The munificence of Sir William Maclonald will do much to advance the nuse of education in Canada. The torney-general did all that the lav Macdonald schools at Guelph, on the ite of the Agricultural College, and n connection with it, (under the direcion of the same principal), are unique of their kind. The college has been e foremost of its order in the educaon of young men, for agricultural irsuits. The new school in domesic acience will educate the young women who become students in it, in all | furnished. that pertains to the home, and ia every department of house work the secutor moved for the trial of the young women, therefore, will be fit court of appeal, who had been asked companions of the young men who to till a temporary appointment in go out from Guelph equipped for the the absence of the judge of the e

aining to the home and the farm. Best of all in the projections of Sir | high court. Judge Osler admitted the William Macdonald is the Macdonald force of the contention. In addition, nool which demonstrates the feasibilty of the new idea in Canada, the was excused from service because he asolidated rural school. This has tates, but until Sir William Macdonald advanced the cost of it the exeriment had not been made in Canada. The Guelph institute is a duplirate or enlargement of the New Brunswick school. In it the pupils of several school sections are brought together and classified like the scholars of any city school. They are provided with accommodation the most modern, the highest class of equipment, and the most capable teachers.

Sir William Macdonald is thus, a his own expense, and with the expenditure of many thousands, leading in a great school reform, and its sucess will mean the erection of similar and for the care and education of the he cost of maintaining the smaller nd isolated schools which are not creditable to the people of this adanced age and present prosperity.

THE BATTLE IS ON. as most people expected, and the gen- the people until after the vote." eral election will take place on January 25th. The time is short, but it is ong enough. The federal campaign eas even shorter, and there was ample ime in which to reflect upon the sit-

The appeal now is largely the result of a too close division of parties in the election of 1902. The Ross government had a majority, but it was small, and because of that fact the difficulty of carrying on the business of the country, comfortably was very great. The conservative press hopes Mr. Whitney may do better in the ensuing election, and so get the government But he can hardly expect to do bet er than in 1902, and thus he will be elpless. The only safe course is to ive Mr. Ross a larger majority, and ne which will ensure the easy work-

beral plaus. The record of the government is a one and honourable one. It repreents the best spirit and life of liber digns in this province. The details will be discussed as the campaign proceds. Their record will not engage nuch attention, so far as the conser ntives are concerned. Their stock-inrade is scandal, and they hope, as Mr. Graham puts it, to blackguard

ng of the government according to

e people into deserting Mr. Ross and oporting Mr. Whitney.

The liberals do not justify or conone the offences of any men in the we or general elections. Over-zealous sess or cupidity has led them to do sings for which the liberal party of ers no apology. The party itself is he British Whig Publishing Co . Limited | not guilty of wrong-doing, however, and the liberal government has been

crupulously honest in its administraon. Out of the millions it has spent not a dollar has been misappropriated That, of itself shows how carefully the copie's money has been applied. It w their record that is on trial, not the misdeeds of individuals in this or that constituency, for these are bring-

ing their own rewards. It is the desire of the liberal government that it shall be represented ev erywhere by clean men, by candidates is feelings, and he must be in ling, who can claim the allegiance of the party and whose cause the electors can cheerfully and cordially support uch a magnificent heritage in Can- province, and by a vote which will permanent improvements. da, were not politicians in the gene- show the liberal party's proper appre ral acceptation of the term. They ciation of Hon. Mr. Ross and his new

A PAPER GONE WRONG. The Toronto News has a most relarger citizen hip which involves ac- markable article on the Sault Ste. Marie election cases. Four men, it will be remembered, were reported for tical principles. Major Rathbun is a corrupt practices, and, according to city, that it be officered by city offi- the Gameys, the Beattie Nesbitts and candidate of whom the liberal party the law, the judges (Chansellor Boyd cials and managed by its present own- the Miscampbells, have sought by has reason to be proud. He is a and Judge Teetzel) should have at once great force in the business world; he proceeded to the trial of the offenders sises to be a great force in the or reported their names to the clerk | the street railway and have the com- tory ranks, for inspiration from their solitical world. Trained for active of the legislature so that, through service, with a great capacity far ad him and the law officers, arrangements might have been made for their prosecution later on.

The judges did not report cases ima most useful member, and his elec- mediately. There was . some delay about it, and largely if not entirely in consequence of the absence of the speaker. Meantime the counsel for private prosecutor made application to the attorney-general for funds with which to undertake the case. The atprovided. He promised one-half the fines which it was expected the court would impose. At the same time he pointed out that the report of the udges had not been received by the clerk of the house, that formally he had not got the names, and that assistante for prosecution could only be given upon definite information being

Nor was that all. The private prograduate will become an expert. The four men before Judge Osler, of the sighest class or kind of service per- chequer court. Objection was taken to the trial by any but a judge of the the crown attorney, newly appointed, had been the solicitor of one of the seen tried successfully in the United defendants. So there was failure for the time all around, and the Toronto | what it was. News blames the attorney-general But that blame rests upon the private prosecutor. Some one (in the back- Ottawa Journa ground), did not think the government would go in pursuit of the ofcounsel and commissioned him to act. Had this person kept out of the case the judges, failing to try the men at once, would have reported their names to the clerk of the house, and he to the attorney-general. Then the The crown would have selected a prosecutor and the offenders would have been brought before the proper court. The News not only insinuates nemildings in other parts of Ontario, glect on the part of the attorney-

general, but acda: "The chancellor and Judge Teetzel hildren. The result will be the con- knew that they had reported men for vans, their training by better teachought to take place at that assize.
