§" Opifer per Orbem Dicor." URQUHART THE CHOICE. Mr. Urquhart, of Toronto, has been | had supported and voted for him, had elected the mayor for a third time. out as a great example of what an ed a cause that, though temporarily appreciative people will do. Mr. Good- reversed, will triumph again. erham had wealth on his side, and the support which wealth commands. He had committees at work in every subdivision, and workers so numerous

that he hardly knew what to do with them. Yet he represented a weak cause, So did Mr. McPherson, who came out as an independent and claimed to have a large following. The objection to these men was that hey had no experience in municipal ife, and that Toronto could not af- | Some people's idea of public ownerford to experiment with an untried ship is ownership of the people. So

umself again, and consented. At he gives expression to a great truth. nce he had a popular support. He as the one man in sight who gave the electors the assurance of success ful service, and he was elected by a handsome vote. Mr. Urquhart stands or the best in municipal life, and the

fact that though a liberal he is the hoice of a conservative city speaks columes for his ability and worth. FIDELITY NOT REWARDED. The personnel of the council has been greatly changed by the election

of yesterday. No politics in the council? It was a fierce fight all along the ancies to fill in the Board of Educaline, and for this battle the conserva- tion. So that, new men being chosen, tives appear to have been preparing the personnel of the board may be as very carefully. Evidences of this were much changed as the personnel of the seen on the eve of battle, and farther council. evidences were apparent as the cam-

paign developed. It was a costly affair, but what of that? But politics did not cut so wide a swath as some with a plethora of candidates, and Lockie's conversion. to this circumstance is due some loss of prestige and loss of strength.

was not subservient enough, and was ! not willing to sacrifice his friends. In could not canvass, and because some class interests undertook to score him because he did his duty. He ad ministered the water works departpartment on business principles, and he was given to understand on election day that this did not pay. Ald. D. Couper, in Frontenac ward, had the special antagonism of corporate and other influences, and they only prevailed because illness took him out of the contest. In Ontario ward business kept Ald. Behan at his office until after the noon hour, and out of

New men may lend a new interest to put others in their places. And yet so mysterious about it? the people, by their votes, have warranted a departure, and signified that Stomach Troubles And Constipathey are really not particular how their business is conducted. The best

HIS DAY WILL COME. The mayoralty election was a great surprise to very many. Mr. Craig had reason to expect the support of

electorate, and such a support would have given him the office to which he aspired. He had served the people faithfully as an alderman-had played fair on every issue that came before him-and suffered in conse

If the election of yesterday demonstrated any truth it was this that men are not warranted in acting ac cording to their judgment on public uestions. The men who played he gallery, who were concerned how their votes would affect the few rather than the many, have been given to understand that they have been displaying diplomacy if not wislom, and their example will be renembered.

Mr. Craig's candidature was in uriously affected by many catch cries. The story that he thought \$1 enough for any workingman was repeated again and again, minus the explanation which Mr. Craig made on superior of the class to which .

This man, who was so eminently THE DAILY WHIG. fitted for the mayoralty, however, has been rejected, and he has accepted gracefully the decision of the people His manly speech, thanking those who the right ring. He was defeated, but he was not despondent, and represent
