This Year. Vancouver, P.C., Dec. 31 .- (To the TON: Editor): Christmas in Vancouver, as compared with Christmas in Kingston, as everyone knows, dates from the birth of Christ, and is observed as a day of great joy and gladness throughout the land. It is a day should bring gladness to the Christmas is not observed on the same and best known citizens in the perit is in ours. But to revert to my of Chambly, P.Q., on April 26th, text: Are the festivities of this gladsome day the same in Vancouver as they are in Kingston? De jure they are, but de facto they are not! In city of Vancouver is situated, Christ- Mary's, now known as Notre Dame mas cannot be properly enjoyed without the jingle of sleigh bells. Indeed street, which was the scene of many which his father was captain. Soon after the latter was also appointed indications are that it will have disappeared all too soon. But oh! the gladness when the day arrives, with plenty of snow and frost; we long for one of those Christmas drives. But of the latter was also appointed sergeant of the Montreal police force during the exciting times of the Papineau-McKenzic rebellion.

While serving as fireman, Joseph Jamieson was present at the great of the plenty of snow and frost; we long for Jan

facing south, had their awnings down ness. In 1850 he was united in mar. of the G.T.P. re their plans for Edto keep the sun out, for the day was an ideal one, but on Christmas day the scene changed, and yesterday's land, the union being blest with ten summer sunshing was for a time and land, the union being blest with ten inspect some of the currently and their awayings down ness. In 1850 he was united in marriage to Miss Mary Ann Robinson, a wonten monton, are expected back next week. Col. Sam Hughes was in the city a few days ago and has gone out to inspect some of the currently and their awayings down ness. In 1850 he was united in marriage to Miss Mary Ann Robinson, a wonten was in the city a land, the union being blest with ten summer sunshine was for a time, and children, five daughters and five it would seem for this particular oc sons, nine of whom still survive. In casion, hidden from us by the appearance of the "beautiful." We rubour eyes and then looked again, water works plant here. The brick but there was no mistake, it was a house and shop next to the works on thick and fast. Imagine our feelings! Ontario street were built for their accommodation and Mrs. Jamieson NEW YEAR HOLIDAYS We were going to have snow enough with three children were moved up for sleighing in a short time, and yet from Montreal. The duties devolving in this whole city of Vancouver a upon Mr. Jamieson were very arduous sleigh could not be found, for had I and involved a lot of mental and a membership of 100. "G." not already been standing at the tele-phone for more than half an hour in-ly possessed a rare fund. Single First Class Fare quiring at the different stables if they | Filled with military ardour and had one? At last I found one who sais "yes, we will furnish a sleigh if you will furnish the snow." I left and in 1866, in answer to the boomthe 'phone and went to the door and ing cannons on Fort Henry, as a looked out, and lo, it was like a call to to duty, with many other citidream, for there was no snow either zens, he volunteered to proceed in the air or on the ground, and the Cornwall as a bugler in No. 4 com-First Class Fare and One-Third sun was pouring forth its rave as pany, at the time of the Fenian Raid. beautifully as it had done the day be- When the water works were pracfore. I must admit that for the mo- tically constructed and after Mr. ment I was somewhat disappointed Jamieson had resigned from the emat having my anticipations foiled, but ployment of the company after a a better feeling came over me when short interval, in 1878 he started busibut delicate little flowers in the gardens, and I reflected that the snow is and heating contracts that he has green grass instead, and if the snow C., and many large residences. Dur- will be applied toward building KINGSTON & PEMBROKE & CANADIAN taking a sleigh ride it would have timer, was a great admirer of the Vail and 8500 from Mr. Chew for the Trenton. He is now charged with with which we are surrounded. Mon- gion he was a consistent Presbyter I took out the lawn mower and mowed the lawn, after which I spent ted into Kingston lodge, No. 59, some time pulling weeds out of, and 1.0.0.F., and subsequently went into in other ways fixing up the flower beds. I believe that on this occasion When the uniformed encampment was I took more pains than usual, for I formed he became a charter member felt guilty at having been so wicked and later he joined Limestone court as to have wished for anything more beautiful, and when I finished I stood nearly seventy-eight years is greatly in admiration, and the beauties of regretted by all who knew him. other climes vanished into sheer no-

thingness when compared with the beauties with which I was surround-Jan. 2ml, 1905; returning until Jan. Another feature about Christmas in Vancouver is that we have two Christ mas days in one year, here, and they are not on two successive days either. The second, or last one is the Chinese Christmas, and is not observed to the same extent that we observe our day This, however, cannot be said of the Chinese New Year; we have three New short line for Tweed, Napance, New Year days; the Chinese going us Descropto, and all local points. Trains one better than our own custom in leave City Hall Depot at 2:25 p.m. F. this observation. Their New Year comes about a month later than our own. These are their big days, and for those two days business in many lines in town is shut down just as TER GO TO BERMUDA effectively as it is on our Christmas, Frost unknown, malaria impossible, and more so than on our New Year's From New York, 48 hours by elegant day.
