The Man In Bed

A young clergyman in making weekly visits among the poor of his parish in a nearby country village, the Philadelphia Press says, quite recently learned of a poor sick man who recently came from Ireland with his wife ed at the house, he was given a most hearty welcome, and on reaching the bedside of the sick man was surprised at finding him apparently well. The day being warm the clergyman gested that he get out of bed and

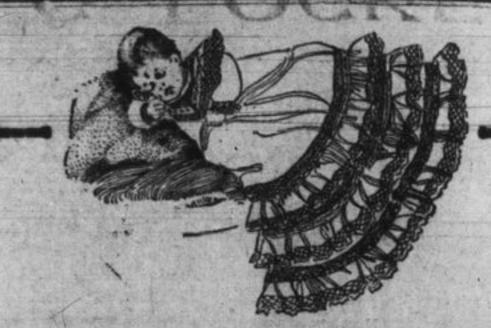

"It may do you good," he added. The wife, who was present, said her ausband had better remain in the house until the following day and then take a little recreation, When the clergyman returned a week later he "Haven't you been out of bed sin I was here?" asked the man of the
