For the Balance of Many Women Suffer Untold Agony From Kidney Trouble.

> alled "female disease." There is less male trouble than they think. Women fown feeling in the loins. So do men, and they do not have "female trouble." Why, then, blame all your trouble to emale disease? With healthy kidneys, few women will ever have "female disorders." The kidneys are so closely cousected with all the internal organs, that when the kidneys go wrong, everything goes wrong. Much distress would be saved if women would only take

Miss Nellie Clark, Lambeth, Ont., tells

DOAN'S KIDNEY PILLS

suffered for about two years with kidney trouble. I ached all over, especially in the small of my back; not being able to sleep well, no appetite, menstruation gular, nervous irritability, and brickdust deposit in urine, were some of my symptoms. I took Doan's Kidney Pills. In the villages, where a minister The pain in my back gradually left me, my appetite returned, I sleep well, and ecommend Doan's Kidney Pills to all fferers from kidney trouble."

GERMANWOMEN

ALMOST EXCLUSIVLY COUNTRY'S GARDENERS.

Friendly Contests Over Flowers And Vegetables Nothing Is Wasted-All Love Outdoor

Most American travellers in Gernany, says the American Agricultur ist, go to the principal cities, and see as many sights of art, architecture, and scenery as possible, and the wayside and learn of the real home life of the people. No existing guide books lead to such roads, Meck-Strelitz, is only twenty-eight German miles long and fourteen broad, but it districts existing. The finest breeds of grain, fruit and grass are raised here. Husbandry in all its branches is atudied from long experience, and when we consider that all farm land has been for centuries under cultiva-

son and effort which keeps it up to se

Every family has a garden and the sides, who always has a big farm to cultivate as his support, his wife lead. Often there is a friendly test to see who shall have first peas and carrots for the table; of course, Whitsunday all try to have the first lettuce, and, if possible, a young if around next to it, because close to the hedge nothing will grow. All heds are laid out in straight lines, no turn whatever. Garden land may not be wasted, and grass grows in the

inter, either in mature, natural state or dried. Nothing is wasted, even the rose leaves are gathered before dropping, and exchanged at the drug store for something necessary. Privet hedges are very much used. The green which feeds on the leaves, is the Spanish fly; the children are they are used for making fly blisters. garden of the more wealthy peoand noblemen's estates are laid out in English style, with curved walks and the turf dotted with beautiful flower beds. The women are all good housekeepers, take a personal The idea was good, but the remedy air weather, before and after school hours, women, accompanied by their servant girls and children, go with little handbaskets or waggons taining a lunch a gardening. A Different Liniment. It is well worth while to learn th does it quicker. Such a remedy is Smith's White Liniment. It cures CLOTHING REFORM.

Waistcoats (English for vests) are anathema maranatha. L. N. Marshall, head master of the Kingston (Eng.) grammar school, is the latest apostle of national dress as applied to boys. sent out a circular to parents sugand collars, the abolition of waistcoats, the wearing of flannel shirts with flannel coats and flannel knickershirts in winter. This idea has caught cated in the interests of boys' health and physical development. The waistvulnerable part of the body, the back, cummer Mr. Marshall suggests blazers instead of jackets. School boys ought to take active exercise in cold by sit-

waistcoats as inducing pulmonary complaints in men, and especially eld erly men. The back of the waistcoat is hinner than the front. In the human body the region between the shoulders is the one requiring most protection. The lungs there are most easily assailed by cold vet the chest, the strongest part of the frame, is afforded by the modern waistcoat, a thicker and warmer covering than is the back. have joined in an "anti-vest" crusade. They believe, however, that the waist-coat should be reformed rather than abolished. They agree that a waistcoat thick in front and with only a thin lining at the back is a death trap in winter. Every boy and man should have a waistcoat lined at the back with flannel." said one expert, "and all the year round it should be of uniform thickness." "Too much care cannot be taken of the back, said another authority, as the spinal column, which is the continuation of the brain, dominates every other or

ANNUAL TEA

Battersea. Battersea, Jan. 10 .- The annual tea-

Given In The Methodist Church, meeting, in connection with the Methodist church, was held in the Orange Temple on January 2nd. A bountiful and excellent tea was served about eight o'clock, and after every appetite had been fully satisfied the intellectual feast was put on. The latter was composed of choruses by the choir, duets by Misses Lizzie Anglin and A. Holder, Miss Maggie Clark and W. Merriman, Miss Richards and Harold Merriman. Recitations by Misses Ida Hugheson, Chellie York, A. Holder and Pearl Richards, and addresses by Rev. G. A. Bell, Rev. Mr. Richards and Councillors J. E. Anglin and C. Sleeth. After singing "God Save the King," the audience dispersed, well satisfied with the first tea meeting in the new Orange Temple. A social was held the following Wednes day evening, which was also well attended, and much enjoyed. James Bell, Sydenham, and Carman Bell, Belleville, have returned to their stuties, after spending their holidays at the parsonage. Joseph and David Robb and S. Anglin, Queen's College, and Earl Lake, K.C.I., also spent their vacation at home. Misses Ida Hugheson, Chellie York and Todd have all been re-engaged their respective schools for another ear. Miss Campbell, Sunbury, school for 1905. David York, having disposed of his property in the vil

lage to Ben Knapp, has removed his family to Jones' Falls. They will be much missed from the village, as they were good citizens. Ben Knapp and mother, late of the Carrying Place, have moved to their new residence the village, lately purchased from D. York. S. J. Lake, of the "Granite. is slowly recovering from the injuries he recently received at the K. & P. railway crossing. Stephen Lake, Picton, has been visiting friends in this \$65, now \$50. vicinity. Other visitors have been : Rev. Mr. Richards, and wife, Inverary, at W. Merriman's; C. Hartley and family, Secley's Bay, at J. Mil and family, Seeley's Bay, at J. Miller's; F. R. Anglin, Brewer's Mills, at

Cured His Mother Of Rheumatism "My mother has been a sufferer for years from rheumatism," says Howard of Husband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm. and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by all druggists.
