## WHITNEY'S BAD VOTES

The Legislative Record of J. P. Whitney, M.P.P.

### A NON-PROGRESSIVE AND REACTIONARY PUBLIC MAN.

Mr. Whitney's Legislative record has been one of unrelenting opposition to everything proposed by the Liberal Government. He has opposed many of the best legislative features of the Government, which have since been sanctioned by public opinion. He has initiated nothing. He has proposed nothing new. The following extracts from his legislative record will prove the truth of the above statements and show how ill-fitted he is to become Premier of this great Province of Ontario.

#### Opposed the Early Closing of Shops.

By reference to page 137, Journals of 1888, it will be noticed that on the third reading of the Government Bill "to regulate the closing of shops and hours of labor therein," Mr. Whitney entered his vote against it.

#### Opposed the Appointment of a Minister of Agriculture.

During the session of 1888 a Government Bill was brought in "respecting the Department of Agriculture and other industries." It was moved by Mr. Meredith, seconded by Mr. Wright, that "while the House concurs in the proposition to give greater attention to the agricultural interests of the Province than has hitherto been done, it is of opinion that that end can be attained without incurring the expense of adding another member to the Executive Council, and the inevitable additional expense which will be consequent on such addition, and that therefore the said bill be not now read the third time, but be forthwith referred back to the Committee of the Whole House, with instructions to amend the same by striking out the third section thereof." (Page 136, Journals, 1888.)

#### Opposed the Appointment of a Minister of Forestry.

Almost every new department by the Government, which the country has again and again approved, was voted against by Mr. Whitney. On April 30th, 1894, Mr. Monk moved, seconded by Mr. Preston, "that the resolution respecting grants (in aid of agriculture) be not now concurred in, but be forthwith recommitted to a Committee of the Whole House with instructions to reduce the item by \$2,000, being the salary and disbursements of the Clerk of Forestry, which office was now vacant, and in the opinion of this House should be discontinued." (See p. 181, Journals, 1894.)

#### Opposed the Appointment of a Minister of Education.

Mr. Whitney joined with the opposition in voting for this resolution, and yet no branch of Government was more needed or has proved itself more valuable than the Forestry Branch of the Department of Agriculture. Mr. Whitney has never grasped the importance of the great subject of forest preservation and forestry.

#### Opposed the Appointment of a Minister of the Interior.

On March 29th, 1899, for the third time Mr. Whitney voted to abolish the office of Clerk of Forestry.

#### Opposed the Appointment of a Minister of the Interior.

A vote was taken in the House on April 30th, 1894 (p. 179, Jls.) to grant a certain sum for the Ontario School of Forestry, which Mr. Whitney opposed the grant and voted against it.

#### Opposed the Appointment of a Minister of the Interior.

True to his old-fashioned and non-progressive ideas, Mr. Whitney, during the session of 1896, voted for the following resolution, which was moved by Mr. Meacham and seconded by Mr. Macpherson: "That all the words after the word 'and' in the following substituted 'this House views with alarm the tendency of the Government to create new offices and is of opinion that the office of Provincial Highway Commissioner with a salary of \$1,500, exclusive of expenses, is unnecessary, and places an additional and useless burden on the Province." (See p. 185, Journals.)

#### Opposed the Appointment of a Minister of the Interior.

The creation of a new office of Provincial Road Commissioner has been more than justified by the subsequent experience, and the Government has received more praise for their advanced policy in this than almost any other act. And yet, as has been said, Mr. Whitney did all in his power to block progress in this direction.

#### Opposed the Appointment of a Minister of the Interior.

On April 9th, 1897, on a resolution in Committee of Supply to vote \$2,100 for the purpose of a Municipal Auditor's salary and expenses, Mr. Whitney voted against it. The published reports of this officer are the best evidence of the need of such an appointment, which has saved municipalities thousands of dollars and effected a much needed reform.

#### Opposed the Appointment of a Minister of the Interior.

On April 12th, 1892, (p. 199, Journals) Mr. Whitney voted against a resolution respecting a new Asylum for the Insane for Eastern Ontario, afterwards located at Brockville, although it was soon filled with patients, showing the wisdom of increasing the accommodation for the insane at that time.

#### Opposed the Appointment of a Minister of the Interior.

Mr. Whitney's attitude towards the Ontario Agricultural College has never been one of blind and unreasonable opposition.
