**Read what she says:—"It is now about two years since I was cured of a terrible attack of Brysipelas, with which I had been afflicted for about ten years. I had tried almost everything, including medicine from several doctors, but could get no relief. I had given my case up as hopeless, but I procured five bottles of Burdock Blood Bitters, and it completely cured me. In fact, the cure has been permanent. It is now two years since I took Burdock Blood Bitters, and I have not had the slightest sign of the disease returning. I fully believe that your wonderful remedy has taken it so completely out of my system that I shall never be bothered again with it. I have the greatest of faith in Burdock Blood Bitters."**

The men of this vicinity are busy hauling tires and lumber at Police Station. The death of Mr. Long was much felt among his friends, he having left a wife and daughter to mourn his loss. On Tuesday last a pretty wedding was solemnized at the residence of Mr. and Mrs. John L. McKenzie, when their daughters, Christina and Elizabeth, were united in marriage to Messrs. John and Robert Spradlin of Fish Creek. The ceremony was performed by Rev. Mr. Stanton, of Plevna, after which a splendid repast was advertised at the residence of Fish Creek. The presents to the brides were numerous and costly, the grooms' presents being gold watches. The ceremony was brought to a close by the baptism of a sister and a brother of the brides. She leaves a mournful loss a husband, one little son, Tommy, two sisters and a brother. Her friends have the sympathy of the entire community in their bereavement. Friday morning last B. Wills's youngest daughter, Vivian, aged eight months, sank peacefully to rest. She had been ill but a few days with pneumonia. Another daughter of the same family is very ill at present.

**Stomach Trouble.**

The Agencies Of Indigestion Can Be Cured By Dr. Williams' Pink Pills.

All over the land there are people whose lives have been made miserable through the range of indigestion, who have been restored to the enjoyment of health through the use of Dr. Williams' Pink Pills. One of these is Wm. Moore, of Welland, Ont. Mr. Moore is the manager of the electric light plant in that town, and stands high in the estimation of the citizens. He says: "It is really a pleasure to speak in praise of Dr. Williams' Pink Pills. For four years prior to 1903 I suffered from great trouble from indigestion and stomach trouble. I could not eat solid food without experiencing great agony and for weeks I had to take a diet of milk diet. I had grown emaciated and was almost unfit for active work. I was treated by doctors and for weeks I took medicine, but without any lasting benefit. One day a friend urged me to try Dr. Williams' Pink Pills. I began their use, and I must confess that it was without delay that I began to feel better. After taking a couple of boxes I could see an improvement, and this gave me encouragement. I continued using the pills until I had taken eight boxes, when I was completely cured and able to eat any kind of food I desired. I shall always praise Dr. Williams' Pink Pills, as they saved me from such misery as I have experienced before. I might add that my wife has also used the pills for troubles that afflict her sex, and has been fully restored to health."

**Bad blood, poor blood, watery blood, is the cause of nearly every ailment that afflicts mankind. It is because every dose of Dr. Williams' Pink Pills makes new, rich, red blood that they have such wonderful power to cure such ailments as indigestion, anemia, rheumatism, neuralgia, St. Vitus' dance, heart troubles, kidney and liver troubles, and the special ailments of women, young and old. But you must get the genuine pills with the full name "Dr. Williams' Pink Pills for Pale People," on the wrapper and have the name stamped on each box. Sold by all medicine dealers or by mail at 50c. a box or 4 boxes for \$2.50 by writing the Dr. Williams' Medicine Co., Brockville, Ont.**
