## LINENSALE

### LOOM ENDS

Linen prices are going steadily upwards among all mosphere began to grow warmer immediately, and the organist was urged to keep on playing. He did so for a few moments longer, when he was suddenly interrupted by a sheet of flames which burst through a partition.

There was a sudden visit from the room, and the organist came near being hurled through a window by the excited lodge members, who blamed him for the sudden rise of temper.

TWELVE YEARS AGO the largest retail stores an overheated stove in a rear room, and the flames did \$1,000 damage bebought their supplies from the wholesale merchant, who fore the firemen could get at the conflagration. in turn bought through the commission man, both taking their profits before the goods reached the storekeeper, making in all three profits before the goods A reached the consumer.

WE BROKE AWAY from such trade conditions, and sent our buyer direct to Belfast, Ireland, (the which arrived vesterday said only store in the city doing so) headquarters of the linen industry of the world. Our representative found in going through the different manufactures immense accumulations of Short Ends, or "Loom Ends" as they are called that makers were in the habit of selling ridiculously cheap to the large European and American buyers. He, without delay, saw the advantages there was in purchasing the Loom Ends at about half the price the same goods would cost in the regular way, and promptly secured a large lot of these Loom Ends for this January Sale. THEY COMPRISE LINENS OF ALL QUALITIES.
