Sutherland & Bro

with crown caps, can be opened without Enforce Laws. Kingston, Jan. 30.—(To the Editor): Before the town clock has finished striking seven these dark mornings, about two thousand of our citizens, men and women, boys and girls, are at their various places in factory, mill or works, ready for the day's duties, eight o'clock another thousand merchants and clerks, students for early classes, and their instructors and others, begin their day's work, and by nine o'clock, thousands more children and their teachers, have left their homes, and are at their posts ready for the tasks of the day. All these along with those who have early probably equal to one half the city's population, and if there has been a fall of snow the previous day, or dur-ing the night, all have had to trudge bles, yesterday, was sent to the sen through it for greater or less dis- ate by President Roosevelt.

properties with extensive frontage vacant land or otherwise, brazenly ne At our Dissolution of Partnership Sale for the glect their legal obligations in this regard. A young lady, a teacher, tells b'ggest and best assorted stock of FOOTWEAR in snow four times daily for about a IA OFF 25 Per Cent. Discount IA OFF fore he saw fit to have the walk damp skirts and footwear for hours Means phenomenal prices and wonderful values. while teaching.

This instance, multiplied by hund-Notice goods and prices in windows. Come inside the case of other teachers, derks in shops and girls and women and see the bargain tables loaded with fresh, snappy working in factories, calls for an immediate remedy. If we have laws they should be enforced, regardless of wealth or any other consideration. Il our present laws are not sufficient, they should be amended. The prevalent No workman who labors through a mile of heavy snow sto and from his business, can do as good a day's work, either for himself or for an can a teacher teach, or pupil learn as well. The extra wear and tear or than pay for some efficient system of

learing off the city's walks. recognized, and up-to-date methods are Our Suit and Overcoat Sale is well started. Here you the city is divided into ten districts, adopted. At Peterboro, for instance, will find an opportunity to secure a Suit or Overccat at a two in each ward, and one man in each district contracts to clear the walk. He uses a simple plough made of a plank triangle on edge, that clears off a path four feet wide. This plow is drawn by a horse, and certain princi pal streets, chiefly those leading from the outskirts to the factories and These garments are already marked at our close cash foundries must be cleaned by half-past six in the morning if a snowstorm has prices and the extra Discount will afford you to save occurred in the night. All other streets included in the contract are to cleaned by half-past eight, in time for All \$1 Shirts and Underwear now 70c. hildren going to school. Where this service is performed regularly each snowstorm it is easily done, and the cost is nothing compared with the resultant saving and convenience. The service in Peterboro extends to nearly all streets. It is not supposed to fully

clear the walks, but makes it possible for foot passengers to get about the city with comfort. This method is the rule in many Ontario towns. JOS. ABRAMSON, The People's Clothier, of the average distance from the worker's home to his or her place of estimated, it will be found to approximate nearly a mile, and this has be is on "all fours," average 600 to Brockville Club made no effort what to be traversed two or four times 800 pounds. daily. Probably thirty or forty thousand miles would be an average he lifts any ordinary horse weighing estimate of the total daily use of the about 1,000 or 1,200 pounds, city walks. We go to great expense to provide the finest pavements for use in fine weather, and in winter time leave many of them as uncared for as the open fields. Our merchants on Princess street will do well to consider the effect of bad walking on their daily sales. The condition of the walks alone often deters customers from visiting their shops. From every considcration whether of health or economy, fair play or good citizenship, the present conditions should be amended. All would benefit, the merchant and manu-
