The great danger in troubles of this class is "delay." Don't neglect a Cough or Cold, it can have but one result. It leaves the throat or lungs, or both, affected—Bronchitis, Pneumonia, Asthma, Catarrh and Consumption will surely follow the neglect to cure.

DR. WOOD'S NORWAY SYRUP will ease the cough, soothe the inflamed throat and loosen the phlegm.

Mrs. Joseph Parada, Blackwell, Ont., writes: "I had such a bad cold I could hardly breathe. I noticed Dr. Wood's Norway Pine Syrup advertised, so had my husband get me two bottles—I had only used one before I was cured. I recommended it to a friend, and two bottles cured her after other remedies had failed—we both kept it in the house now and would not be without it. It is the best cough medicine I have ever taken."
