Dr. Reade, in his interview, went on to say: "In the course of my life I have examined many thousands of men and women for life insurance, so that I speak from experience when I state that more are rejected on account of weak kidneys than for all other diseases put together. In fact, nearly every second person has kidney trouble, though very few even suspected its presence until they

Many of those I had refused returned later on and were accepted, the most careful examination failing to discover the slightest trace of kidney disease in their systems. I always asked how they were cured, and invariably the answer was, 'By taking Warner's For many years I have prescribed Warner's Safe Cure in my practice with marked success, and my professional friends use it exclusively. I believe in it firmly and recommend it as a wonderful cure for kidney, liver and bladder diseases."—S. J. READE M. D.,

Cures Kidney Diseases.

Kidney troubles creep into the system unawares. Before you know it they are deep seated. Do not neglect yourself if you have backache, headache, rheumatic pains and swellings, drowsiness, loss of appetite, stomach trouble, bad complexion and skin troubles, frequent desire to usinate and painful passing of the water, a brick-dust sediment in morning urine after it stands 24 hours; or, if a woman, bearing down sensation, painful periods, fainting and other so-called female sick ness. These all tell you your kidneys have been diseased for months, for such outward symptoms seldom show themselves until the poison has penetrated the organs and the danger point been reached.
