COME IN TO-DAY. Sutherland &

A TALE OF THE ARMADA.

Over three centuries ago a vessel of the Spanish Armada was blown up in Tobermory Bay, off the coast of the Island of Mull. Recently numerous relics have been recovered from it by divers. They include old cannon, swords, pistols, plate and coins. The vessel was the Florencia, a Florentine galleon which came from the Levant, one of the Italian possessions of the King of Spain, and was commanded by one Pereija After the defeat of the armada the Florencia was forced by bad weather and lack of provisions to put into Tobermory Bay. There Sir Lauchlane MacLean, who, because of his feuds grippe, and was in a very weak co with his neighbors, had been made dition of health. My nervous syste a "denounced rebel" by King James of Scotland, formed an alliance with | convulsions several times. I freemen the Spaniards. With the aid of a lost use of my limbs, I had seve hundred soldiers from the ship and nights weats, was sleepless, despo
