Keswick, near Barrie, Ont., May 28th. Dr. Sloeum, Limited. "My baby was very sick with a terrible cough. I gave her your Coltsfoote Expectorant and Oxomulsion, and a few doses cured her. I was also sick myself with a bad attack of pneumonia two winters ago, and my lungs continued to trouble me until last March, when I tried Psychine, and in a few days my lungs got strong. That one bottle of Psychine did more for me than doctor's prescriptions and all the remedies I ever tried. Psychine cures permanently while other remedies only give temporary relief. SPELL IT-
