over and over again, but continue to drag along and suffer with aches in the Vancouver, B.C., Feb. 7 .- (To the mall of the back, pain low down in Editor): A Happy New Year to you and all the staff, and all Whig readers! We have just emerged from the put back on the slate. Thus a high- take in respect to the bill guarantee joys of this festive season, and we wish to extend the greeting to all Whig friends who are not so fortunate. as to have enjoyed a Chinese New Year celebration. Mention was made acquitted ourselves in this province kenzie, the premier, introduced a bill in a previous letter of the fact that the Chinese celebrate two days, but I ity of that letter in comparing our for Untario; her younger sister proiect of comment at a later stage.

Chinese New Year to the Fourth of vince made the same mistake, and Hon. Edward Blake, in discussing the and fairness the "Yanks" are not in it for a moment with such a celebration as that which we have just witnessed in this city. At exactly twelve o'clock on Thursday night, February 2nd, the inhabitants of our city, who had been here less than a year, and therefore bad not witnessed such an event, could not have arrived at any other conclusion than that the Japs had chased those Russian warships into our barbor, and had turned a the mainspring of woman's organism, thousand rapid-firing guns on them. for at that moment the section of Vancouver, known as Chinatown, trembled to its foundations, as bomb after bomb was exploded, the sound reverberating to all parts of the city.

This was kept up almost constantly during the next two days, but when Saturday night came the whole city, round about Chinatown, was resplendent with electric arches, and long before the time for the beginning of the elosing scenes, every point of vantage had been taken. By special invitation men and very sick headaches every the expounder of this truth, accompanied by his family, occupied the month. I was tired and nervous all the time and life looked very dreary to me and I had no desire to live until I began to take Lydia E. Pinkham's Vegetable Compound and to get some relief. My recovery was slow but it was sure, and I have never regretted the from a third-storey window. As he was escorting us to this vantage ground, we passed through a room which was piled almost to the ceiling adapted to the ills of our sex and I am glad which was piled almost to the ceiling to say a good word for it.—Mrs. Albert with boxes, leaving only just passage Mann, 154 Gore Vale Ave., Toronto, Ont. room. I asked what he was going to No other person can give such help- do with all those fire crackers, and ful advice to women who are sick as said, "burn 'em," and burn 'em they can Mrs. Pinkham. Her address is did. They had a long pole run out of

and from the end of this pole the firecracker was suspended. Each of the boxes piled up in the room contained one long roll of firecrackers which resembled in size a large bologna sausage, and in length reached almost to the ground. These were Dean Armitage Robinson, at the lighted at the lower end, and as fast as one was burned up another was minster Abbey on "The Inspiration of hung out. This scene was repeated the Bible," reminded his hearers that from the windows of every merchant the church had never attempted a for- in Chinatown, and together with the mal definition of inspiration, and it rockets sent up from the streets, and would be as unwise now as in any the bombs which were exploded in time in the past to make such at-tempt; but inspiration may be known to hear or be heard on the stredt. while not confined within the limits of This uprear was kept up until twelve our definitions. It is beyond all we o'clock Saturday night, when quiet
