DELIBERATE SLAUGHTER. The Massacre In St. Petersburg-By An Eye-Witness.

The fateful Sunday dawned bright and frosty. From the outskirts of St. Petersburg came the workingmen in units, tens, hundreds, thousands, un armed and hopeful, But all the bridge es and other avenues to the city had Paris, Feb. 25.- The decision of the been occupied over night by Cossacks, guards, soldiers of the line, policemen. Biyoung fires burned brightly in the pect of a city taken, by a foreign vader, But the workingmen had no misgivings. God might still be in heaven, but the czar, to whom they had given due notice of their peaceful intention, was now no longer far away; The commander of the Kamschatka be would surely come from Tsarskoechildren! Had he done so he would The admiral therefore had reason to have succeeded in accomplishing what believe he might be attacked and gave neither Grand Dake Vladimir, with orders for strict vigilance against the anti-Nihilistic League, nor Grand Duke possible approach of torpedo boats. Sergius, with his Lovali Workmen's Democratic Association, had effected; siders that Admiral Rojestvensky's or he would have carried the lower classders were not excessive in time of war es with him almost to a man and deunder the circumstances and he had prived the liberals of the support of every reason to consider the situation both the peasantry and of the workmen, without whom no revolution is "The commissioners," the decision possible in Russia. It was a rare opsays, "recognize unanimously that the portunity, worthy of a great or a fishing fleet committed no hostile act | good monarch. Many of the extreme and the majority of the commissioners revolutionists trembled lest the czar are of the opinion that as there were would go, as Nicholas had gone, to not either among the fishing boats or his rebellious subjects fearlessly and in their vicinity any torpedo boats, bravely. But he stayed in the apartthe opening of fire by Admiral Rojest- ments of his palace instead. He had put the Grand Duke Vladimir in com-The decision further says, the Rus- mand, and this personage is reported sian commissioner did not share in the to have exclaimed, "I am not Nich olas the Second, I shall be a second

Nicholas !" And he was, He gave his ues, "the commissioners are glad to orders to Prince Vassilchikoff, who A general staff was got together: the city of St. Petersburg was divided in signed to a body of the troops; officers gathered around a green table on which lay an outspread map: adjutants came and went continually; in a word, the game of war was being played elaborately. Then the "invadthat under the circumstances preceding army was attacked in sections the danger to the squadron as to war ages. The man who carried the ezar's rant Admiral Rojestvensky in con- portrait was shot dead; the likeness pierced: the priest Gapon, arrayed in his vestments, was borne down by his not inform the neighboring maritime falling comrades; men, women, children, were shot, not like the Japanese, The decision concludes as follows: who are made prisoners if unarmed. "The commissioners declare that their but like wild beasts. Boys perched on the houghs of leafless trees, women clinging to the iron railings of public military valor nor upon the senti- gardens, babies in their mothers arms passers by who ran into adjacent ately, mercilessly, gleefully, I saw Cossaeks grinning as they began their bloody work; I saw others joke when the dead were carried past them; and I heard of others who boasted of in human deeds God was still in heaven, but the czar was far away.
