Why Smith's Triple Cure Cures

No treatment in the world cures dyspensia and

catarrh sothoroughly and completely as Smith's Triple Cure. The reason for such wonderful

results is simple and obvious -- because this

grand triple cure system fully removes the usual cause of dyspepsia—the catarrh of the stomach. Smith's Triple Cure by its combined action on the blood, nerves and mucous membranes cures catarrh wherever located. It drives the poison out of the system and cleans the mucous membranes so completely that catarrh ennnot exist or find lodgment. Dyspepsia may start with a neglected cold in the head or a sore throat extending down into the stomach and setting up catarrh of the stomach. The catarrhal process may result stomach. The catarrhal process may result from too repid esting, overloading the stomach, using badly cooked food, and indulging too freely in ice drinks and stimulants. Smith's Triple Cure cures any case of this kind because it is a fee to catarrh. When you once recognize the fact that dyspepsia is usually caused by catarrh of the Btomach, you can understand why Smith's Triple Cure is invariably successful in curing dyspepsia.

People who est too fast, too much, and too often, who suffer with dyspepsia, heartburn, indigestice, palpitation and nervous weakness, should use Smith's Triple Cure which gives such sufferers quick and positive help—its use always leads to cures that are lasting. This grand treatment gives new rigor to the overworked and dyspeptic atomach. Begin its use at once. Ask your dealer for Smith's Triple Cure for Catarrh, Dyspepsia and the blood. A grand new system of four separate pushedies, a full two weeks' treatment, curing estarth in any part of the system, price only 60 cents, the greatest value for the money ever offered. If your droggist won't supply you send 25 two-cent stamps and we will send it postpaid and guarantee safe delivery; Address W. F. Smith Co., 185 St. James St., Montreal,
