WAS AFFECTED. The Women's Appeal to the Em-

London, March 13 .- A despatch from | One

St. Petersburg says that the czarina has been much affected by an appeal sent to her by the women of Moscow, The appeal bearing thousands of signatures, read in part as follows ; "We Russian women, mothers, wives and sisters of the warriors who are shedding their blood in the far east, for the beloved fatherland, address ourselves to you, O Sovereign, believing that, with your mother's heart

you feel all the horrors of war, as we lo. You will understand that a wo oan ardently desires peace. Peace is seing violated, not only beyond the frontiers of our country, but even in the heart of the fatherland. We see with terror in the recent troubles the beginning of calamities that may crush all Russia if the emperor does not seek, in unity with his people, to avert them. All the bases of life are shaken, and all moral foundations are trembling. Mothers, those who have to bring up the young generation, are saddened and their task made impossible. It is beyond their power, beyond all possibility to train children up on bases of unshakable truth and the country does not rest on these for its foundation. The youth of the country, on entering life, constantly meet contradictions to what was taught them in their families. They thus lose all faith in the principles taught them, seek new faiths and fall velvet. perishing. Mothers' hearts are breakng. They cannot remain silent.
