

REASON No 21 WHY YOU SHOULD USE

Red Rose Tea

Because it is perfectly clean. Wouldn't you like to know that the tea you drink has not been touched by human hand since it was plucked on the plantation?

This is what you get in Red Rose Tea. The old method of rolling and packing tea by hand has been entirely done away with on the tea estates where Red Rose Tea is produced.

There, as well as in the blending and packing rooms, machinery—scrupulously clean machinery—is used exclusively.

Red Rose Tea is never touched by hand after being plucked.

This fact alone will help you enjoy drinking it. The Blue Label is recommended.

Grandfather's Cure for Constipation.

But, if you will take your Exercise in an Easy Chair, there's only one way to do that, and make a Success of it. Because—there's only one kind of Artificial Exercise for the Bowels and its name is "CASCARETS."

CASCADETS are the only means to exercise the Bowel Muscles, without work. They don't Purge, Grip, nor "upset your Stomach," because they don't act like Cathartics.

They don't flush-out your Bowels and Intestines with a costly waste of Digestive Juice, as Salts, Castor Oil, Calomel, Jalap, or Aperient Waters, always do.

No—CASCARETS strengthen and stimulate the Bowel Muscles instead.

These are the Muscles that line the Food passages and that tighten

up when Food touches them, thus driving that Food on to its Finish. They are the Muscles that turn Food into Strength through Nutrition. Well,—a Cascart acts on your Bowel-Muscles as if you had just Sawn a cord of wood, or Walked ten miles. That's why CASCARETS are safe to take continuously in health; and out of health. Because, they move the Food Naturally, digesting it without waste of tomorrow's Gastric Juice. They thus work all the Nutrients out of it before it decays. Thus will you ward off Appetitis, Constipation, Indigestion—and other things besides. Druggists—10 Cuts-a-Box. You can try CASCARETS FREE before you buy. Write for Free Sample and booklet, "The Cure of Constipation," best ever printed on the subject. Address: Sterling Kennedy Company, 374 St. Paul Street, Montreal.

BLOOD POISON. On account of its terrible effects, blood disease is called the King of all diseases. It may be either hereditary or contracted; so while it may not be a crime to have the disease, it is a crime to permit it to remain in the system. It may manifest itself in the form of Scrofula, Eczema, rheumatic pains, stiff or swollen joints, thickening of the skin, eruptions of blotches, pimples on the face, itching, sore throat, falling out of hair, "scorched stomach," and a general depression of the system. If you have any of these symptoms, you are suffering from blood poisoning. Beware of "cold feet," "frost-bites," "sores of miners," "sores of Quacks" and "Yairs." ODDS NEW METHOD TREATMENT is guaranteed to cure this disease, never to return. Blood Poisons will protect you. Our treatment is not injurious in any way, but reaches the very root of the disease and eliminates all poisons from the system. The symptoms of disease gradually disappear.
