Mrs. Guess, Bagot street, entertained at a progressive euchre party on Friday when there were six tables in play. The several games were hotly contested, especially by the ladies, four getting the same number of games, and having to play off for the prize.

The first, a very pretty hen-bon dish, was won by Mrs. W. J. Golds, Master James Hopper, who played to complete the number, taking first prize for the men—a handsome inkstand in a morocco case. Miss Smith and Mr. Eyles were the proud winners of the consolation prize. After supper, singing and dancing were kept up until the early hours of the morning. The cosy house of Mrs. Guess was prettily decorated with palms and cut flowers, red and pink carnations predominating. The jolly party broke up at 2:30 o'clock, thoroughly satisfied that Mr. and Mrs. Guess were the best of entertainers.

A MODERN MEDICINE.
 Which Reaches and Cures All the Little Ailments of Infants and Children.

Baby's Own Tablets is a modern medicine which replaces barbarous castor oil and poisonous "soothing" stuffs. The tablets are a sweet, harmless little lozenge, which children take readily, and which may be crushed to a powder or administered in a spoonful of water if necessary. This medicine cures all stomach and bowel troubles, breaks up colds, prevents croup, allays the pain of teething and gives healthful sleep. And you have a solemn guarantee that it contains not one particle of opiate or poisonous soothing stuff. Mrs. J. D. Cilly, Heatherton, Que., says: "I have used Baby's Own Tablets for stomach and bowel troubles and have always found them a most satisfactory medicine, and one that keeps my children bright and healthy." You can get the tablets from any medicine dealer or by mail at 25 cents a box by writing the Dr. Williams' Medicine Co., Brockville, Ont.
