A Warning In Vain. The Toronto Telegram warns the Whitney government to beware of the rocks which reckless party heelers are placing in its way. It takes the case of a local man, Mr. Hastings, who went from the council with a splendid record to the office of license inspec tor, and made a splendid record there. GOLDEN WEDDING

Amherst Island. Napanee Beaver

Tuesday, March 21st, witnessed very pleasant scene at the home o and Mrs. J. B. Howard, Emerald, Amherst Island, The event was the celebration of their golden wedding. Fifty years ago Mr. Howard led his blushing bride to the altar of St. James' church. To-day none the less gallant he led her to dinner, where a goodly number of their relatives and friends about thirty in all, partook of their hospitality. R. A. Fowler in proposing the health of Mr. and Mrs. Howard, made a very bright little speech in which he pointed out the difference between the present celebration and the one fifty years ago. In the first one the bridal couple were looking forward with every hope and ambition, and now they were looking back on a life that had made them respected and loved by all present. A umber of beautiful presents were received and with each one the love and respect of the giver.
