SEAMEN WANT IT If They Can't Get It Ontario Will. Special to the Whig. Montreal, April 4.—The fight for the presidency of the Canadian Amateur Hockey Union is becoming hotter. A prominent member of the Shamrock Lacrosse Club said to-day that he maintains that the presidency should come to us this year, because Mr. O'Connor, who was vice-president, gave up his claim in favor of the Nationals. If Montreal refuses to allow us to have it, and to be satisfied with taking it the year after, we will see that it goes to Ontario, and if it goes to Ontario the chances are that William Foran will get it. In this case, he will be in the same position in which they were before, and the same point will come up again the year after.
