Celluloid Film of Moving Pictures Caught Fire-Machine Operator to Blame for Panic-Lost His Head, and Cried "Fire."

Kokomo, Ind., April 10.-George latally injured, and a score of persons seriously burned on Sunday night, during a fire in the Sipe theatre, which was caused by the ignition of a roll of celluloid films used in operating a moving picture machine. In the panie that followed Armstrong jumped through a window in the third floor and sustained fatal injur-

The moving picture show was in progress and during the intermission a big celluloid film, suspended over the balcony railing, was ignited by an electric light. The machine opera tor threw the audience into a panic and started a rush for the fire escapes and exits by a cry of "Lookout everybody, the theatre is - afire." In an instant about 600 people rushed toward the exits. That more were not hurt reat the disease; and this is the reawhy so many physicians fail to both legs are broken, and he is in dowe.
