INFORMATION OF A PROFI-TABLE CHARACTER.

Cattle Prices on the Increase-Good Horses in Demand-Should Not Hold Old Wheat-First-Class Articles in Demand.

Cattle prices in Canada are on the price of export cattle, both in Canada and the United States has a much firmer tendency. British quotations for the best American cattle are as high as 121c. a pound, dressed weight, or fully a cent higher

Carriage and saddle horses of good quality are rare in Ontario, Breeders inclined to believe that all sorts of horses approaching these types are in demand, and ask corres reavy horses are fairly plentiful, while in Toronto last week were : horses, \$175 to \$250; matched pairs, carriage horses, \$360 to \$550; general purpose horses, \$160 to \$220; heavy draught horses, \$175 to \$250; second hand workers, 875 to \$130.

A successful city horse dealer, when asked a day or two ago the best color a horse could have to readily, smilingly replied "fat." those unfamiliar with horse dealing the reply may seem meaningless, but to the farmer or those interested in the business it conveys a great deal It is an established rule that ever thing brought to the city from the country, if it is to demand a ready sale and a good paying price, must be in prime shape. This rule holds good in all lines of produce offered for sale in the city by the farmer, whether it is a horse or a basket of

The commlition of winter wheat oin the United States as shown in the government report just issued is 91.6 as compared with an average of ten years of 83.3, and with a percentage of 76.5 last year. This year's crop is, therefore, considerably above average. Considering seventeen bushels to the acre, as representing a perfect crop, the April percentage forecasts a yield of 15.57 bushels. The acreage seeded last fall was 31,500,-600 acres, thus the prospective crop sediment, causes great irritation and vield will be 485,000,000 bushels, or
