There are thousands of men and wo There are thousands of men and women going about the world today with kidney trouble, who are apt to die at any moment of Bright's disease, diabetes or blood poison. They evidently enjoy being sick and subject to sudden death, because they don't or won't even take the trouble to find out what's the matter with them.

Some of them don't suffer enough—they think it's "nothing much and will wear off the guests from not only Mr. and Mrs. Hooper, but from Mrs. Yates, as well. Every one was delighted to see Mrs. Robertson again, and also to meet her husband and Miss Robertson.
