In the customs service, with its hundreds of employees, the dismissals for political reasons would not amount to more than half a dozen, even if they actually reached that number. So it can be readily seen that the government behaved with the greatest possible moderation. In spite of this, however, conservative politicians raised the greatest

clamor over the few dismissals which had been made after a careful investigation in each case. During one of the debates Sir Charles Tupper advanced the plea not only that officeholders had a right to entertain their own political beliefs, but to take part in the discussion also, for he said : "But, sir, this is a grave matter, o matter which this house cannot treat with too great consideration for this reason; that if the system, 'that to the victors belong the spoils,' is to be introduced, and the wholesale practice of admitting the individual right of public officials to maintain their During the business of the evening | inion in a temperate, fair, and gentle manyly manner is to be departed

TROUBLES Increasing Among Women, But Sufferers Need Not Despair

THE BEST ADVICE IS FREE Of all the diseases known, with which the female organism is afflicted, kidney disease is the most fatal, and statistics show that this disease is on the increase

Unless early and correct treatment is applied the patient seldom survives when once the disease is fastened upon her. Lydia E. Pinkham's Vegetable Compound is the most efficient treatment for kidney troubles of women. and is the only medicine especially

prepared for this purpose.

When a woman is troubled with pain or weight in loins, backache, frequent, painful or scalding urination, swelling of limbs or feet, swelling under the eyes, an uneasy, tired feeling in the region of the kidneys or notices a brickdust sediment in the urine, she should "lose no time in commencing treatment with Lydia E. Pinkham's Vegetable Compound, as it may be the means of saving her life.

For proof, read what Lydia E. Pinkham's Vegetable Compound did for Mrs. "I cannot express the terrible suffering had to endure. A derangement of the female organs developed nervous prostration and a serious kidney trouble. The doctor attended me for a year, but I kept getting worse, until I was unable to do anything, and I made up my mind I could not live. I finally decided
