IS YOUR CATARRH REMEDY GURING YOU

You Are Unconsciously Using An Alcoholic Ligald Remedy Stop At Once.

People soon learn that the true test of a catarrb remedy is whether it cures to stay cured. Have you ever inquired why a liquid catarrh remedy makes, you feel better for a time? It is because the alcohol in the liquid remedy makes the mucous membranes drunk. It deprives them of sensation, it inspires fals! hopes and always leads to alcoholic deceits.

A permanent core by any liquid dyspepsia or catarrh remedy is simply impossible. The alcohol used in liquid preparations makes it almost a travesty to call them remedies. They incite the worst forms of catarrhal trouble rather than cure such troubles. Can a physician be found who will truthfully say that any liquid catarrh remedy is worthy of use? Every physician knows that it is an absurdity for anyons to claim that catarrily dyspepsia or any form of blood disease can be cured by a so-called liquid catarrh cure. In this connection it is wise to consider carefully the best means for relief. Smith's Triple Cure. that grand old remedy, consisting of four sep-arate preparations, three of which are in tab-et form, and used internally and another in the form of a catarrh cream, contains no alcohol and never leads to false hores. It makes you feel better the first day, and each following is but a repetition of day's experience. It restores the membranes in every part of the body. It posi-tively cures catarrh, dyspepsia and all blood diseases. If you have long been a slave to a liquid catarrh remedy, break away from the habit. Use Smith's Triple Cure, and health, abundant, full and complete, will be yours. Four separate preparations, lasting a full two weeks for 50 cents, the greatest value for the money ever offered. If your druggist won't supply you, send us 25 two-cent stamps by mail today and we will send it restautions.
